## Rajmata Krishna Kumari Girls' Public School, Jodhpur (The IPSC Students' Conclave - 2023)

The grilling, thought-provoking Quiz conducted by Dean Academics-Seniors, Ma'am Seema Malhotra Baxi, after the dinner, showcased the insatiable thirst of knowledge that the students have. The delegates of each participating team were embroiled in an intellectual milieu. The teams stole hearts and swept us off our feets with their prompt replies and varied knowledge. On the 18th of December, the Opening Ceremony was presided over by Dr. Sumer Bahadur Singh, whose charisma and overwhelming presence along with his wisdom, sent distinctive messages to the delegates for life. The day progressed with the First Keynote Speaker, Brigadier Sonali Passi Verma's contagious dynamism and poignant take-aways. Thereafter, there was an exciting Heritage tour to the opulent Umaid Bhawan Palace and the iconic Mehrangarh Fort, the pride of our city. Later soaking in the culinary delights of Rajasthan, culminated in the Principal's Dinner with everyone grooving to good music and bonding well with each other.

The delegates embarked on a trail of thrilling, challenging and fun activities related to Leadership on December 19, at Osian. Later after dinner, the students had a vivid and captivating insight on the Cyber Security by Mr. Rakshit Tandon, an expert consultant who has created a revolution in this field. The session left us with pertinent thoughts that, "Are we safe, in the virtual world?" To quote Mr. Tandon, "Virtual world is not a game, it's your life, stay safe."

The morning of December 20 commenced with the third Keynote Address by Ma'am Sevantika Bhandari who weaved magic with her words, quick-wit and intense interaction. The delegations then geared up for a cut-throat performance of eloquent oration of selective speeches of famous speakers and provided their sharp rhetoric on its significance in the present context. The three-day long journey of collaboration and camaraderie, enterprise and empathy, culminated with the Closing Ceremony, which left everyone with unimaginable treasure trove of new friendships, empowered minds, wonderful memories and metamorphosis for a lifetime. Very special moments were captured and presented on the screen in the form of a movie aptly titled, 'Making Memories for a lifetime' - 'RKK Bids Adieu'. It left the audience with a tinge of sorrow, as they now realized that the Conclave was on the brink of adjourning. Enlightening Echoes of the Conclave by student delegates from participating schools were characterized by visionary leadership and positive impact. Mrs Neera Singh, Principal graced the stage, felicitated the delegations, addressed and declared the Conclave 'Closed'. Heartfelt gratitude and deepest appreciation was delivered to all the participating schools- their Principals, their educators and trainers, the Teacher Escorts, and the Student Delegates, who whole-heartedly participated in this Conclave and lent it a richness and flavour that, is unsurpassable. The need of the hour is to have leaders who can lead by example, make decisions and promote harmony. The Grand Finale was dedicated to all the leaders seated in the auditorium who can make a difference. It was a perfect ending, as someone rightly said, "the end is where we begin".

*“The novel is more of a whisper, whereas the stage is a shout”- Robert Holaman.*

A team of 7 students - Achal Roop Kaur, Vaniya Solanki, Bhakti Babani, Avani Goyal, Vimla, Anika Chaturvedi, Ishika Gumasta along with their teacher incharge ma'am Awanesh Sharma participated in the **4th edition of Online Thought Huddle hosted by Sunbeam School Varuna, Varanasi** from **27th to 29th December 2023**. Overall 20 schools participated including the Host School, Sunbeam Varuna, Jaishree Periwal Global School Jaipur, Maa Anandmayi Memorial School, Haridwar, The Indian School, New Delhi, B.K Birla Public School , Kalyan, Singapore International School, Mumbai, Rajmata Krishna Kumari Girls Public School, Jodhpur and many more.

Day one began with the Manager's Meet which was followed by Scriptorium in which theatre writing along with Theatre Monologue was presented as a thematic framework. The theme of the event was a monologue of Shakespeare's character. A team of two members participated which included Ishika Gomastha and Anika Chaturvedi. The time limit for the video submission was 2 hours beginning from 2 p.m. At the same time we witnessed the Hindi experimental short radio play enactment in which a team of 3 members were required to convert a Shakespeare monologue into a duologue. Though we did not participate in this event, but there was a lot to learn. Day 2 was launched with the registration followed by the Opening Ceremony which began with the introductory speech. Soon after that we watched the enthralling virtual dance performance by the host school .After the opening ceremony we had two events packed for the day. The first was Sensorium - a non-verbal exploratory enactment with a sutradhar/narrator of material and tactile senses continued by the extempore Imaginarium which was theatre Scenography installed as art in which students made models using their creativity with the given list of materials specified with relation to Shakespeare. Even though we did not participate, there was a lot to gain.

Day 3 started with the Quintet finals which consisted of 7 selected teams of which RKKGPS was a part of. Quintet is basically a group of 5 members and the theme of the play was 'Assasination and aftermath in Shakespeare's plays. Our team performed on one of the most popular and enchanting of Shakespeare's plays 'The Tragedy of Othello- The Moor of Venice'. The team consisted of Achal Roop Kaur as Othello, Vaniya Solanki as Desdemona, Bhakti Babani as Emilia (Silent character), Sejal Ostwal as the Narrator cum Musician and the Video Editor, Avani Goel. Subsequently the Closing Ceremony began with the melodious musical performance and a rhythmic dance by the host school. Soon the prize distribution was commenced by the one and only theatrical prodigy, Mr. Pranab Mukharjee. It was a moment of immense joy and pleasure, that **RKKGPS Quintet Team was the 1st Runner Up in the Quintet finale and was announced as the 3rd Best Joint Delegation for the Scriptorium event. Rajmata Krishna Kumari Girls' Public School was also declared as the overall 2nd Runners Up Delegation amongst the 20 participating schools.** The Closing Ceremony ended with a motivating speech by Mr Pranab Mukherjee. Some of our takeaways from it are that, "It is important for us to design our silence on stage", "Theatre isn't about stage, it is about space. Acting is only a small part of it, in real sense theatre allows you to be the communicator". At last the curtains were closed with the given line, "Have a creative New Year, happy or not".
