

A peep into the activities of the month

ROUND SQUARE (RS Worldwide Show and Tell)

On 3rd December 2024, the students of Class IV D enthusiastically participated in the Postcard, "Worldwide Show and Tell Postcard- End of year celebrations". The event aimed to introduce students to various festivals celebrated across the globe and highlight the cultural diversity and unity, festivals bring.

The students prepared and presented postcards representing festivals from different countries, such as Christmas and New year Eve from around the world and Thanksgiving from the United States. Each student gave a short talk explaining the significance, customs and traditions of their chosen festival.

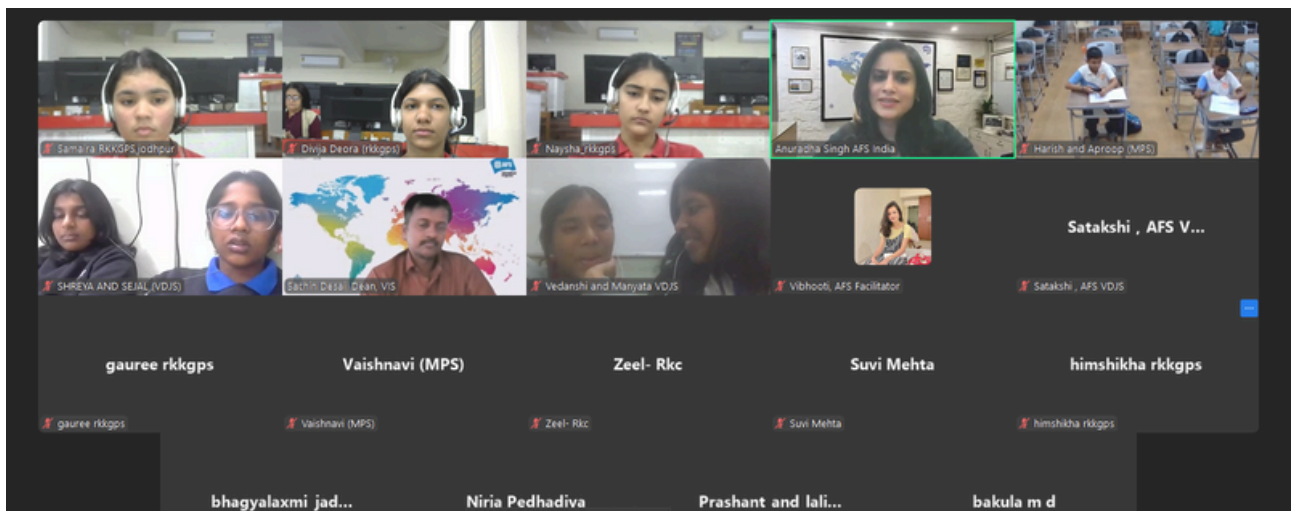

Through their presentations, students emphasized the importance of celebrating festivals as they bring family members together, fostering a sense of love, happiness and togetherness. The session was not only informative but also fun filled and engaging, allowing students to appreciate global cultures and understand the universal joy of celebrations. The event concluded with a lively discussion about how festivals teach values of sharing, unity and gratitude, leaving everyone inspired to embrace and respect cultural diversity. It was a joyful and enriching experience for all.

ICL Training Workshop (AFS India)

An online ICL Training Workshop was conducted on **3rd and 5th December 2024** which was attended by Samaira Dias, Himshikha Purohit, Naysha Choudhary, Divija Kumari Deora of Class IX and Gauree Singh of Class X under the guidance of their teacher-in-charge, Ms. Radhika Singh. The Workshop aimed to enhance respect for diversity, participation and global citizenship. It was led by an expert AFS trainer, who utilized interactive activities and real-life scenarios to engage the participants. Both the sessions were extremely informative and interactive.

The session began with an introduction of AFS and its history followed by the main topic which was 'Global Citizenship'. Participants actively engaged in group discussions and role-playing exercises, which helped them apply the concepts in real-time situations. During the second session, the SDGs were discussed and how we, as young leaders can bring the change and sustainably improve our earth as one. By the end of the workshop, attendees gained valuable insights on cultural heritage, respect for all the SDGs and how we, the youth are the changemakers of the future.

Training of Trainers Curated by The Institute of Secretariat Training and Management (ISTM) in Collaboration with CBSE

At RKK, we believe in embracing unlearning and relearning, change, and sharing best practices as pathways to continuous growth and excellence. We recently hosted a 2-Day Training of Trainers (ToT) Certification Course on **December 6-7, 2024**. This initiative was undertaken by the Central Board of Secondary Education (CBSE) in collaboration with the Institute of Secretariat Training and Management (ISTM), Department of Personnel and Training, Government of India.

The course featured prominent resource persons, including Mr. Gunjan Gandhi (Director, ISTM, Delhi), Mr. Tej Krishen Razdan and Mr. Arun Masih, who shared their extensive expertise to provide valuable insights and training to the participants. The certification course aimed to enhance the basic training and instructional skills of the resource persons, empowering them to design and conduct training courses in line with the National Education Policy (NEP) 2020.

Furthermore, the program sought to prepare trainers to contribute effectively to the NEP 2020 implementation process, ensuring compliance with its obligations and reforms. Participants praised the program for its insightful content, practical training and valuable guidance provided by the distinguished speakers, making it a meaningful initiative for the advancement of educational leadership and professional development.

Rajmata Krishna Kumari Girls' Public School continues to stand at the forefront of educational excellence by hosting impactful events that contribute to the development of educators and academic professionals.

Best Out of Waste (AFS India Online Activity)

“We don’t need a handful of people doing zero waste perfectly. We need millions of people doing it imperfectly” quoted **Anne Marie Bonneau.**

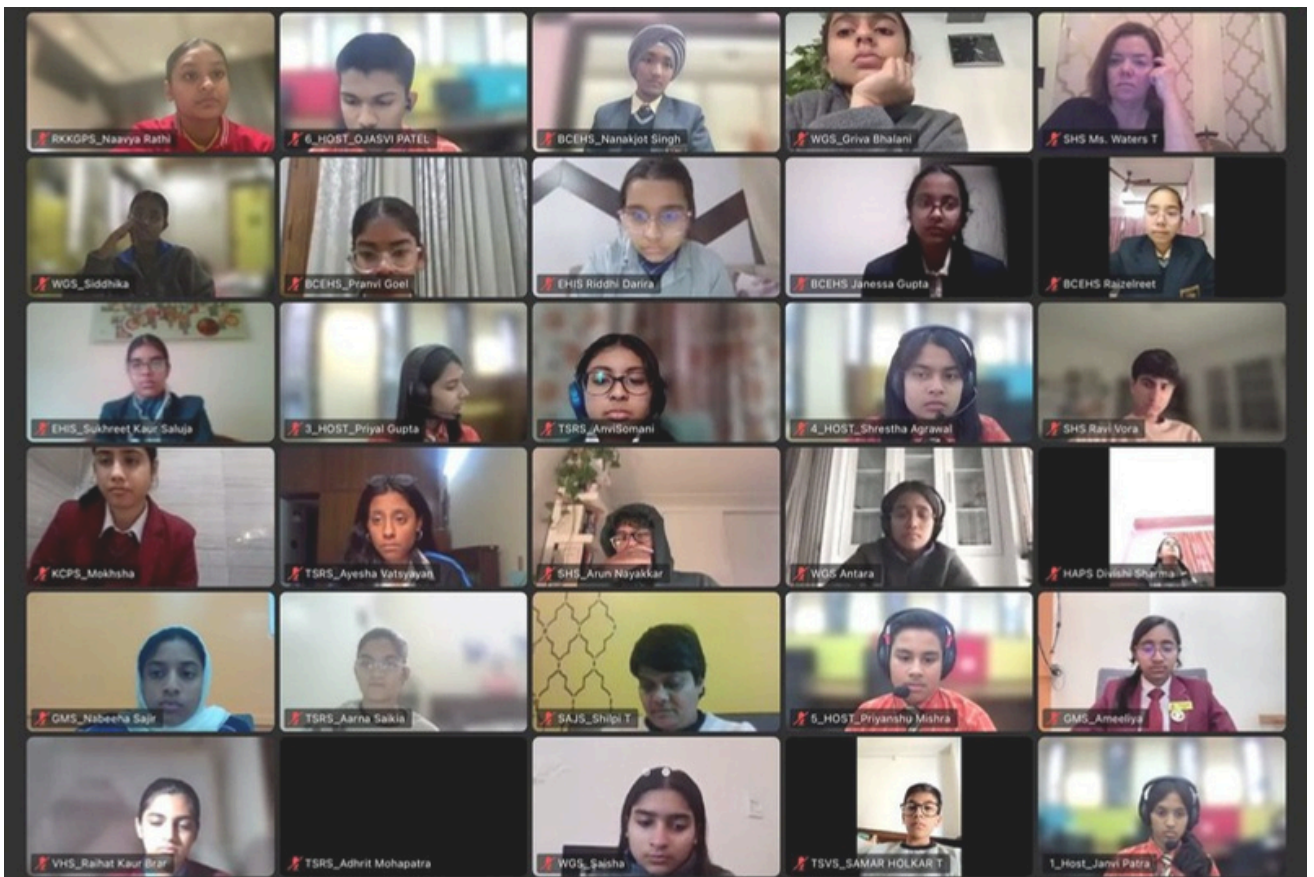

Inspired by this idea, an intriguing online competition titled “Repurposing Discarded Paper Waste into Sustainable Innovative Creations” was organized by The British Co-Ed High School on **10th December 2024**. This event aimed to inspire students to use discarded paper and other waste materials to create sustainable and creative works, emphasizing environmental sustainability and fostering artistic development. Two students, Bhauya Bhati (IX-D) and Himshikha Purohit (IX-B), from RKK participated in this competition under the guidance of their teacher-in-charge, Ms. Radhika Singh. Demonstrating their creativity and innovative spirit, Bhauya and Himshikha crafted a dog house from discarded grocery cardboard boxes and a bird feeder from a water bottle, showcasing their ability to transform everyday waste into practical and imaginative creations. This enriching learning experience not only highlighted the importance of sustainability but also encouraged the students to believe in their ability to make a difference. By the end of the competition, both participants proudly affirmed, “Yes, we can and we will make a difference.”

SAI International Residential School, Bhubaneswar (RS Zoom Postcard)

On **11th December 2024**, SAI International Residential School hosted an engaging RS Zoom Postcard session on the theme "**Metacognition: Thinking about Thinking**". The event brought together students from schools across the world, with around 100 enthusiastic participants. Rajmata Krishna Kumari Girls Public School was represented by six Class IX students—*Adhya Dudi, Naavya Rathi, Parishii Surana, Manvi Gulecha, Ambikeshwari Rathore, Ruhani Garg* and their Student Leader - *Srishti Jain*.

The session introduced students to the concept of metacognition and how to use it in daily life. They learned strategies like setting goals, monitoring progress, identifying thoughts, and adapting through an informative video. Participants were then divided into smaller groups, called barazza sessions, where they shared their thoughts on the topic. The host school also organized a fun game that encouraged critical thinking, problem-solving, and creative ideas. This was followed by a debate on topics like decision dynamics and analytical thinking. At the end of the meeting, representatives from each barazza session shared their experiences and the host school expressed their gratitude. Overall, it was a meaningful and an enriching learning experience for all.

Daly College, Indore (TeachCamp organised by Scoonews)

The TeachCamp, organised by Scoonews from 19th to 21st December 2024 in collaboration with Daly College, Indore was an enriching professional development event that provided a range of expert-led sessions aimed at enhancing teaching skills and strategies. Ms Reena Mishra, Ms Deepika Ojha and Dr Shreshtha Singhal from RKKGPS attended this intensive training, which covered several key topics. The sessions included Arijit Ghosh's discussion on designing relevant and rich projects for the Learning Resource Centre, Lina Ashor's insights on using emotional hooks in lesson planning and Prabha Dixit's introduction to the Panchapadi framework and Understanding by Design for effective lesson planning. Anand Krishnaswamy addressed common misconceptions about learning, while Vikramjeet Rooprai shared strategies for integrating subjects across the curriculum. Willbrord George explored the role of AI and educational tools and Balai Raman Jhaile focused on fostering creativity, critical thinking and reasoning in students. Additionally, Sandeep Sethi discussed aligning curricular aims and goals with learning outcomes and Rita Singh talked about career paths and growth opportunities for educators. The TeachCamp was an extremely beneficial experience for the faculty members who attended, providing them with new perspectives and tools to enhance their teaching practices. The knowledge gained from the event will be instrumental in improving lesson planning, fostering creativity and using technology to create more engaging learning experiences for students. These sessions provided valuable insights that will help improve teaching practices, foster innovation and support professional development.

SERVICE ENDEAVOUR

On 14th December 2024, boarders of RKK went to Government Upper Primary School, Balsamand for distribution of Sanitary Napkins.

On arrival, the team met with the School Principal and toured the campus. Following this, all the female students were gathered in a large hall where they were provided with information on menstrual hygiene and cleanliness. After the awareness session, Sanitary Napkins were distributed to all the students.

During the program, the students expressed their thoughts and found this initiative extremely beneficial. They showed great enthusiasm and the School Principal extended heartfelt gratitude for organizing this program.

The Principal remarked that such programs are highly advantageous for the health and awareness of female students and expressed a desire for similar activities in the future. The program not only educated the students about personal hygiene but also boosted their confidence. This initiative significantly contributed to fulfilling the purpose of “Hamara Prayaas.”

SERVICE ENDEAVOUR

On 14th December 2024, RKKGPS successfully organized a Donation Drive of Winter Clothes. Students came together with great enthusiasm to collect and distribute warm clothes for underprivileged individuals. The initiative aimed to bring comfort to those struggling during the harsh winter months.

The students described the experience as deeply rewarding, with many feeling a sense of joy and fulfillment in helping others. Interacting with the recipients and witnessing their gratitude left a lasting impact on everyone involved. The drive not only fostered empathy and social awareness but also encouraged teamwork and a sense of community. This event reflected the school's commitment to instilling values of compassion and service in its students while making a meaningful difference in the society.

SERVICE ENDEAVOUR

On **24th December 2024**, in an inspiring initiative of social service, the students of Hamara Prayaas Club and the Interact Club of Rajmata Krishna Kumari Girls' Public School organized special activities at the Sevakunj Girls' Hostel in Pratap Nagar, Jodhpur. The program saw participation from Sarita Ratnu Ma'am and Chhavi Ma'am, along with 25 students.

The event commenced with an introductory session after reaching Sevakunj by the school bus. The students presented a Street Play promoting the message of cleanliness. Following this, they contributed to social service by distributing essential items such as food supplies, warm clothes, sanitary napkins, shoes and books to the girls residing at the hostel.

The primary objective of this initiative was to fulfill the basic needs of the hostel residents and express solidarity and support for them. The initiative received widespread appreciation. The joy on the faces of the hostel girls was evident. They expressed gratitude to the school for this thoughtful gesture. This effort once again highlighted the fact that educational institutions play a crucial role not only in imparting education but also in contributing significantly to social service.

SERVICE ENDEAVOUR

On **24th December 2024**, 21 students from the Interact Club of RKK, accompanied by Ms. Moomal Rathore, visited Navjeevan Sansthan, an orphanage in Jodhpur. The visit, aimed to nurture empathy, compassion and a sense of responsibility among the students.

The students donated their clothes and books, which were warmly received by the orphanage staff. The highlight of the visit was their interaction with the children, many of whom are mentally and physically challenged. Through shared stories and conversations, the students created moments of joy and connection that resonated with everyone involved.

The group was impressed by the facilities at Navjeevan Sansthan, including a Library, Computer Lab, Auditorium, Swimming Pool, Milk Bank and Physiotherapy Room. The clean and nurturing environment underscored the dedication of the institution to the holistic growth and education of children aged 0 to 18.

One student reflected, “This experience showed me how small acts of kindness can make a big difference. The children’s positivity and resilience inspired me deeply.” Another added, “It was a day I’ll never forget. Their smiles taught me the importance of gratitude and giving back.”

The visit was a meaningful experience for the students, instilling in them a sense of purpose and humanity. It was a day of learning, growth and heartfelt connections that left a lasting impact on everyone involved.

SERVICE ENDEAVOUR

On 24th December 2024, a group of students from RKKGPS, Jodhpur, under the aegis of Interact Club visited the Women Central Jail, Jodhpur as part of an outreach initiative aimed at providing Sanitary Napkins and personal hygiene utility items to support the incarcerated individuals. The purpose of the visit was to engage with the inmates through educational, emotional and practical assistance, fostering a spirit of empathy and inculcating the need to help others. The officer in charge and many inmates expressed gratitude for the support.

The feedback from the inmates was overwhelmingly positive. Several inmates thanked the students for their kindness and noted that such visits helped them feel valued and connected to the outside world. They appreciated the educational sessions, as many had not had the opportunity to further their education during their time in prison. The mental health support was also highly regarded, as many inmates were dealing with feelings of loneliness and isolation.

PRE- PRIMARY & PRIMARY EVENTS

Junior Founder's Day Celebration (Classes I & II)

Rajmata Krishna Kumari Girls' Public School celebrated its Junior Founder's Day with unparalleled enthusiasm and joy on **December 6th and 7th, 2024**, at the prestigious Badan Rangshala Auditorium, RKK, Jodhpur.

The event showcased an array of spellbinding performances by the young and talented students of Classes 1 and 2. The theme, *'Jashn Sanskriti Ka'* (A Celebration of Culture), served as a vibrant canvas to highlight India's rich cultural heritage and timeless values. Through mesmerizing music, colorful dances, and thought-provoking enactments, the students beautifully conveyed the essence of unity in diversity and the importance of preserving traditions. Their captivating performances left the audience in awe, earning resounding applause. The occasion was graced by the esteemed Mrs Ira Sisodia, whose august presence elevated the significance of the celebration. Adding to the grandeur were members of the proud parents, gathered to witness this cultural extravaganza. The event not only celebrated the creative talents of the young students but also fostered a sense of pride in India's glorious cultural legacy, leaving an indelible impression on all present.

PRE- PRIMARY & PRIMARY EVENTS

Dental Check-Up Camp & Interactive Session by our Alumni Dr. Aishwarya Arya

On **13th December 2024** RKK recently organized a dental check-up camp for students of classes Nursery to V, conducted by a team of six dedicated doctors. Among the medical team was Dr. Aishwarya Arya, an esteemed alumna from the Class of 2013, whose presence brought immense pride to the institution. Dr. Aishwarya Arya's involvement in this initiative is a testament to the achievements of our alumni and their enduring connection with the school. Her return, not just as a healthcare professional but as a contributor to the well-being of our young learners, reflects the values of service and excellence instilled during her time in RKK.

This event was a celebration of our alumni, Dr. Arya's success and participation served as an inspiration to students, showcasing how the foundation laid in school can lead to remarkable accomplishments and a desire to give back to the community. Such moments reaffirm the school's commitment to fostering lifelong bonds with its alumni and provide opportunities for the younger generation to aspire to similar heights of success.
