The Postcard provided a platform to the young talented students to broaden their horizons.

## SAI International School, Bhubaneswar (2nd edition of the Story Relay-Pass The Baton collaboration)

Rajmata Krishna Kumari Girls' Public School actively engaged in the 2nd edition of the Story Relay-Pass The Baton collaboration from **1st to 15th May 2024**, a literary initiative that aimed at fostering creativity, critical thinking, and collaboration among students aged 11 to 13 from Round Square schools. The primary objective of the Story Relay project was to facilitate the development of 21st-century skills among participating students, including language proficiency, creativity, critical thinking, and teamwork.

The collaborative storytelling process involved sequential contribution from participating schools. Each school built upon the storyline while ensuring coherence with previous chapters, resulting in a cohesive and engaging narrative. RKK was 7th in sequence and wrote the chapter “Whispers of Discord: The Serpent’s Tale” in which 10 students from grade sixth to eighth participated. The participants were; *Myra Basu, Tamanna Bhawnani, Unnati Singh, Jaskeerat Kaur, Saanvi Agarwal, Priyali Gandhi, Sneha Bansal, Jigyasa, and Siyona Mehta under the able guidance of Ma’am Neetu Chatterji*. The project emphasized collaboration, encouraging students to incorporate the ideas of previous chapters while adding their unique contributions. This approach fostered critical thinking and creativity within a collaborative framework, exemplifying the spirit of **UNITY IN DIVERSITY**. In addition to textual contributions, each school enriched its chapters with pictorial illustrations. These visuals complemented the narrative and enhanced the overall storytelling experience, adding depth and context to the evolving storyline. The participation of Rajmata Krishna Kumari Girls' Public School in the Story Relay project exemplifies its commitment to holistic development and the nurturing of essential skills among its students. Through collaborative storytelling, students not only honed their storytelling abilities but also cultivated a deeper appreciation for Diversity and Unity. The resulting storybook stands as a testament to the collective creativity and ingenuity of all participating schools, showcasing the power of collaboration within the Round Square Community.

## MU20 School of Opportunity and FLAME University (Craft the Future Challenge)

Rajmata Krishna Kumari Girls' Public School proudly participated in the prestigious "Craft the Future Challenge" organized by MU20 School of Opportunity and FLAME University from **1st to 15th May 2024**. This competition aimed to inspire young minds to design the "Kitchen of the Future," integrating AI to revolutionize cooking and kitchen management. A total of 26 enthusiastic and talented students from our school took part in this innovative challenge. Their involvement reflected the school's commitment to fostering creativity and technological acumen among its students.

### About the Event

The "Craft the Future Challenge" is an innovative competition that invited High School Students to design an AI-integrated kitchen. This challenge aimed to push the boundaries of conventional kitchen designs and incorporate cutting-edge technology to enhance efficiency, convenience, and sustainability in Kitchen Management.

### The competition offered remarkable rewards:

- A grand cash prize of Rs 1,00,000.
- A 75% tuition scholarship for the Bachelor of Design (B.Des) program.
- A 100% scholarship for the FLAME Summer Immersion Program, including flight tickets.

Additionally, participants had the unique opportunity to be mentored by executives from renowned companies such as Google, Tata Digital, and Ericsson. This mentorship provided invaluable insights and guidance, helping students refine their ideas and develop practical solutions.

Our Participation - Rajmata Krishna Kumari Girls Public School was represented by 26 students, all of whom showcased exceptional creativity and technical skills in their submissions. One of the highlights of our participation was the remarkable achievement of Darshana Anwala, a student of Class 10. Darshana secured the fourth prize in the competition, a testament to her innovative thinking and dedication. As a reward, she received a 100% scholarship to attend the FLAME Summer Immersion Program. This scholarship covered all expenses, including flight tickets, providing Darshana with an unparalleled opportunity to further enhance her skills and knowledge.

The Impact of Participation - Participating in the "Craft the Future Challenge" has been an enriching experience for our students. It has provided them with a platform to explore their potential in design and innovation. The mentorship from industry leaders has been particularly beneficial, offering them a real-world perspective on technological advancements and their applications. This competition has also highlighted the importance of integrating technology in everyday solutions, encouraging students to think critically and creatively about future challenges.

## The Doon School, Dehradun (BSAI Student Leadership Workshop)

RKK's 4 participants - *Satakshi Sati, Avantika Mishra, Harianshika Shekhawat, Mayurakshi Nathawat* along with their Teacher Escort, *Mrs. Perminder Meena* attended the **Boarding School's Association of India Student Leadership Workshop** hosted by **The Doon School, Dehradun** from **6th & 7th May 2024**. This Workshop saw the participation of more than 20 elite boarding schools. It commenced on day one with an inspiring address from the esteemed **Keynote Speaker, Mr. Tajinder Luthra** an IPS officer. One of his poignant statements was "If you're looking into the screen more than you look into the eyes of your friends and family then there's a problem".

Following an enlightening session by **Mr. Vineet Panchhi** a poet, filmmaker, Voice Actor and a Communication Consultant, participants grasped the essence of his words: "The color of the balloon does not matter; it's the helium gas within that propels it skyward." **Dr. Sanjeev Chopra** a retired IAS officer and also the former Director of Lal Bahadur Shastri National Academy of Administration, unveiled a profound truth that the success of leadership in any domain, be it language, politics, or education, hinges upon the art of listening to people. **Ms. Stuti Kuthiala** the Deputy Head at The Doon School, delved into dynamic leadership through engaging activities, discovering the essence of 'armored' and 'daring' leadership. Day 2 commenced with Session 4, led by **Ms. Sangeeta Kain**, the Principal, Welham Boys' School, Dehradun. She emphasized that true leadership encompasses guiding, demonstrating, and actively participating in the journey forward. In Session 5, **Mr. Philip Burrett**, a teacher for 44 years, served as Deputy Headmaster, The Doon School, delved into the various types of leadership, including Commanding, Democratic, Laissez-Faire, and Servant leadership, which views leadership as an opportunity to serve others.

**Mr. Kamal Ahuja**, the Deputy Headmaster of the Doon School, delved into the essential elements of leadership encapsulated in Planning, Organizing, Staffing, Directing, Coordinating, Reporting, and Budgeting. **Mr. Vinay Pandey**, facilitated a reflection period where he tasked students with exercises that challenged their problem-solving abilities, presenting three scenarios for them to address as student leaders. These exercises provided invaluable insights into honing problem-solving skills. Subsequently, the Closing Ceremony commenced, presided over by the Principal of The Doon School, Dr Jagpreet Singh. His emotional, and motivating speech served as the perfect conclusion to the event, leaving everyone feeling empowered and ready to apply their learnings in their respective endeavors.

## Round Square World Wide Show & Tell

Round Square is a worldwide network of over 250 like minded schools from 50 countries across six continents. The schools have a holistic approach to learning built around six pillars –

- Internationalism
- Democracy
- Environmentalism
- Adventure
- Leadership
- Service

As part of a Worldwide Show and Tell event based on the theme “Traditional Sports in your country”, a 60 minute online meet was conducted on **7th May 2024** at 2.00 AM GMT. This translates to 7.30 AM IST as we are 5.30 hours ahead of GMT. Following 10 schools from three different nations- India, Australia and Thailand participated in the meet.

- 1.Rajmata Krishna Kumari Girls Public School, India
- 2.The Sagar School, India
- 3.Sunbeam School Lahartara, India
- 4.Sai International Residential School, India
- 5.Sai International School, India
- 6.Regent's School Bangkok, Thailand
- 7.Radford College, Australia
- 8.Daly College, India
- 9.The Mody School, India
10. The British School New Delhi, India

The meet was very informative for everyone. We learnt from each other in the meeting. The students from India talked about Kabaddi, Gilli Danta, Carrom , Kho-Kho and other traditional games. Kho Kho especially caught the attention of Ms Florencia, our presenter from Round Square as a very intriguing game. We learnt about the traditional games in Thailand and Australia. One such mention was of a game involving Bull slaughter in ancient times. The game is thankfully banned now and seen as major animal cruelty across the globe.

We also learnt from our fellow presenters and will surely plan to incorporate the good styles of their presentation in our future meets. The best part of this meet was a cross question and answer session. Each school asked the other school a question. This is a great way to interact and learn from each other.

## The Affiliated High School of Peking University's Dalton Academy in China (Round Square Zoom Postcard)

The Postcard Call on **15th May 2024** organised by The Affiliated High School of Peking University's Dalton Academy in China invited *Dhruvi Garg, Rajnandani Balot, Rhythm Chopra, Gaurisha Singh, Padmaja Kanwar with Student Leader - Bhavya Baid* to explore the transformative theme: "The impact of AI on learning". This captivating topic delved into how Artificial Intelligence is reshaping education, fostering new possibilities and redefining the boundaries of knowledge acquisition. Students in their Barazza groups discussed how AI is revolutionizing the learning landscape by providing personalized educational experiences, adapting to individual student needs and offering instant feedback.

The gist derived from discussions was that AI enhances accessibility, allowing learners from diverse backgrounds to access high-quality resources and support, breaking down traditional barriers to education.

Moreover, AI-powered tools are empowering educators with innovative methods to engage students, streamline administrative tasks and focus on teaching. Through this Postcard Call, participants celebrated the synergy between technology and education, showcasing how AI is not just a tool but a partner in fostering lifelong learning and curiosity.

The call ended with a blend of creativity and insight, highlighting the profound impact AI has on shaping the future of education.

Students were asked to envision a world where learning is dynamic, inclusive and ever-evolving, driven by the incredible potential of Artificial Intelligence.

# AFS Sinfonietta Competition

(Aurum International School, Haldwani, Uttarakhand)

Students of RKKGPS participated in the **AFS Sinfonietta Competition** hosted by **Aurum International School, Haldwani, Uttarakhand** on **May 15th and 16th**, under the guidance of their teacher in charge, Mrs. Radhika Singh. Great minds from all over India came together to share their insights. Each school was allowed to enter one student per category. The categories and participants were as follows:

**1. Poem Writing (Bhavya Bhati) :** The event began with a 5-minute briefing session for all delegates. Participants were shown a portrait for 2 minutes and then had 20 minutes to compose a poem reflecting their thoughts and insights. The portrait depicted a man standing on a mountain cliff with rising tides around him, evoking themes of bravery and fearlessness. Participants then recited their poems in front of the Executive Board and other delegates. They were judged based on composition, body language, and pronunciation. Overall, it was an experience full of learning and creativity.

**2. Scriptwriting (Samaira Dias, IX-B) :** The event started with a short meeting where participants were informed about the rules and listened to an audio recording. Their task was to craft a script based on the sequence of sounds in the audio, which included a variety of random noises such as birds twittering, rain, footsteps, cutlery, trains, horns, and alarms. They were given 2 hours to complete their scripts, with no restrictions on the writing format, allowing for maximum creativity. This unique and creative challenge was enriching and unlike anything the participants had experienced before. The competition not only highlighted the creative talents of our students but also fostered a spirit of collaboration and innovation.

## AFS Inter School Insight Exchange (Sunbeam Varuna School and Hostel, Varanasi)

Interaction is key to learning. With this quote, Dhruvi Mehta of Class IX-D participated in the online AFS Insight Exchange, an Inter School group discussion hosted by Sunbeam Varuna School and Hostel, Varanasi. The event took place through Zoom conference on **22 & 23 May 2024**. The event had one preliminary round followed by the final round. The motion deliberated in the prelims was: "Should both developed and underdeveloped countries have equal binding in combating climate change?" Team RKK qualified and secured a position among the top 12 schools appearing for the finals.

The format of the final round was as follows: 1 minute for introduction, 2 minutes for answering questions posed by the moderator, and a 2-minute conclusion summing up the entire discussion by each participant. The topic for the final was "Environment and Global Issues." The judge for the event was **Mr. Sandeep Mukherjee**. The event provided many perspectives and solutions for the emerging environmental global issues. **Dhruvi Mehta** did a splendid job and secured **1st position in the event**. Special thanks to the teacher trainer, Mrs. Radhika Singh. Congratulations !!

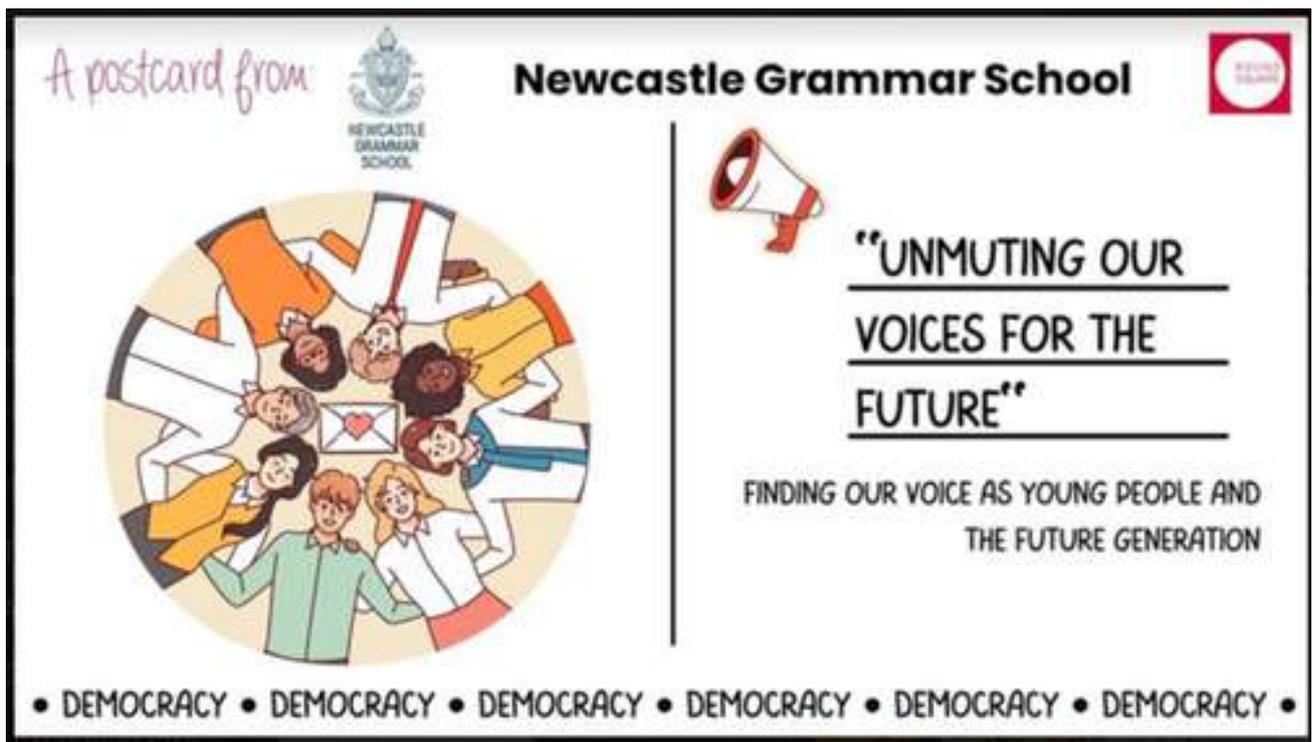

## Newcastle Grammar School in Australia (Round Square Zoom Postcard)

In a world increasingly filled with noise, a Postcard Call on the theme of **“Unmuting our voices for the future”** hosted by Newcastle Grammar School, Australia on **22nd May 2024** invited RKK's team comprising - *Aditi Jain, Chelsi Singhal, Navya Jain, Rinku, Jhalak Taparia, Aayushree Deora with Student Leader - Zunubiya Khan*. This call delved into the importance of raising our voices to shape a better tomorrow, emphasizing the collective strength found in shared stories, ideas, and actions. "Unmuting Our Voices" in the Barazza sessions highlighted the need for inclusivity and representation, ensuring that every voice, regardless of background or circumstance, is heard and valued. It speaks to the courage required to speak up against injustice, advocate for change, and inspire others to do the same. Keynote speaker spoke that our future depends on the diversity of perspectives and it is through unmuted voices that innovation and progress flourish.

This theme encouraged students to break the silence on critical issues such as climate change, social equity and human rights. It underscored the power of dialogue and the importance of active participation in our communities and beyond.

Finally every one agreed that by unmuting our voices, we contribute to a more just and equitable world, where the future is shaped by the aspirations and dreams of all.

The host reminded the participants that unmuting our voices is not just an act of expression but a commitment to building a world where everyone has the opportunity to be heard and to make a difference. As we move forward, let this theme inspire us to listen actively, speak courageously, and work together to ensure that our voices contribute to a future where equity, justice, and opportunity are available to all.

## Indian High School in UAE (Round Square Zoom Postcard)

On **29th May 2024**, The Indian High School, Dubai, hosted an engaging Zoom Postcard meet titled, "Let's Create a New Chapter: Don't Stereotype Me," focusing on challenging and breaking gender stereotypes. The event provided a platform for students to discuss and reflect on the pervasive issue of gender stereotyping, encouraging a culture of equality and respect. As part of the pre-work, participants were asked to create digital postcards that creatively expressed their views on gender stereotypes, highlighting the importance of individuality and rejecting societal norms that confine people based on their gender. This collaborative and thought-provoking session aimed to foster a more inclusive mindset among the students. It was a wonderful experience and exposure and a great way to connect to people all over the globe. *Virika Mehta led the team consisting of Prachi Jain, Hasmita Jain, Suhani Lodha, Suhneri Birla, Niharika Champawat & Eshal Bindra.*

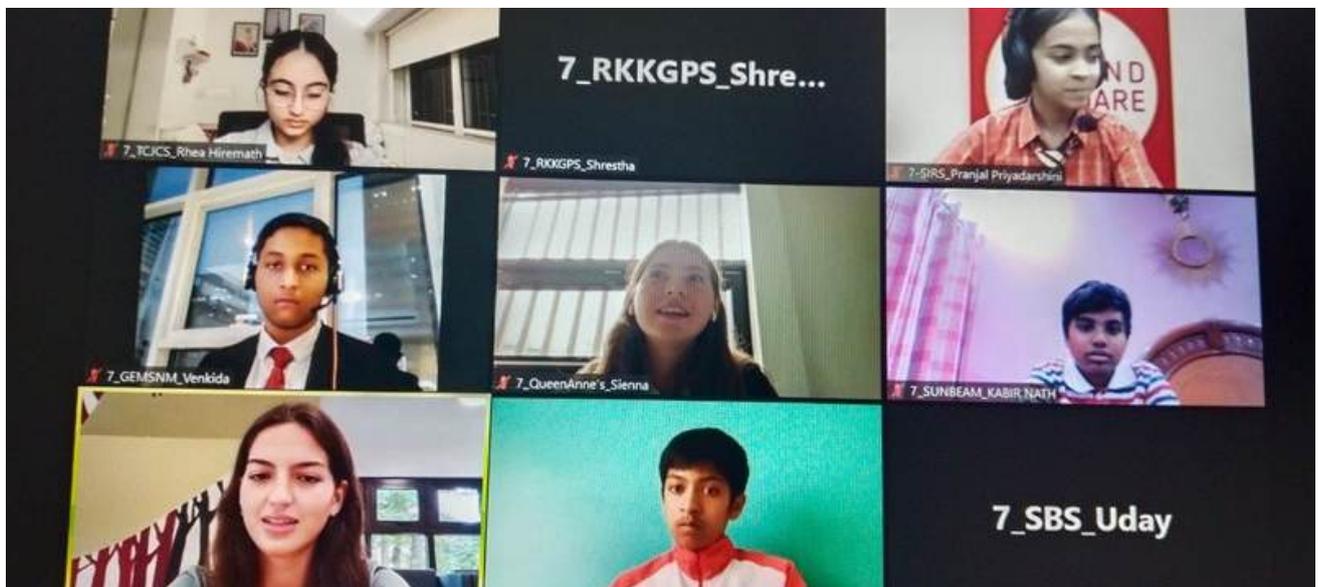

## Round Square History Lab session

The History Lab Session on **30th May 2024** focused on the Cold War which was about the geopolitical tension between the Soviet Union and the United States from 1945 to 1991. The period was marked by ideological conflicts, nuclear arms races, and numerous proxy wars. RKK's participants were *Shrestha, Piya Salecha, Manvi Kataria, Eshal Bindra, Chaheti Rathi, Ananya Vikram Singh* under the able guidance of *Ms Sanjana Chouhan*.

We learned the perspective of students from diverse backgrounds who shared how the Cold War influenced their regions, enriching the discussion with global perspectives. Key events that were discussed included the Iron Curtain speech (1946), Berlin Blockade and Airlift (1948-1949), Cuban Missile Crisis (1962), Space Race culminating in the 1969 Moon Landing, Vietnam War (1955-1975), and the fall of the Berlin Wall (1989).

We understood the deeper complexities of the Cold Wars and its lasting impact on global politics. Participants left with an appreciation for the importance of diplomacy, the dangers of ideological extremism, and the value of international cooperation. This amazing opportunity ensured students to learn new things on a more diverse scale.

## Celebration - World Labour Day

The students of Class III buzzed with excitement as they celebrated Labour Day on **1st May 2024** with a vibrant program. The highlight was the incorporation of the traditional dance and song showcasing their respect and love for the Baijis & Bhaiyajis who are with them all the time in the class or are working for them. They made the School's Support Staff feel special and showed their gratitude by singing beautiful song on a day where the helpers deserve to be celebrated.

A special Mother's Day assembly was held on **2nd May 2024** where by students showcased their talents through dance and song performances to show how much they love and appreciate their mothers. Through the Earth Day assembly the students conveyed how important it is to take care of our planet. It was a delightful and meaningful event that raised awareness about caring for our planet as well as celebrated motherhood.

## Special Assembly - Mother's Day

The Nursery class celebrated Yellow Colour Day on **3rd May (Friday)** with excitement. The day was filled with fun activities. Everyone came dressed in yellow colour. Each child brought a yellow object from home such as toys, flowers, fruits like bananas, lemons and mangoes. The children enjoyed showing their yellow items and talking about them. They coloured the Mango picture and pasted yellow corn by paper crumbling in the corn activity. During circle time, the teachers showed them various yellow objects and talked about them, reinforcing the theme. The Yellow Colour Day celebration was a wonderful experience for the Nursery class.

## Celebration of Yellow Colour Day

## Inter House Mic Master Competition

The Inter House Mic Masters Competition [Choral Speaking] was held on 9th May 2024. This competition was organized for the Sub Juniors, which involved the students of grades III, IV and V. The aim of the competition was to encourage students to improve their oratory skills and build their self-confidence.

“Choral speaking transforms solitary words into a symphony of shared meaning, resonating in the hearts of all who listen.”

We were honoured to have three distinguished judges, Mrs Vasudha Madan, Mrs Kshipra Biswas Arora and Mrs Shikha Bindra on our panel. Twenty four students from each house participated and rendered their poetry with great perfection and enthusiasm. The Trophy was lifted by Sri Shakti House and Sri Durga House was declared as the Runners-Up. The participants demonstrated exceptional creativity, vocal expression and teamwork. Choir and a fusion dance presentation added to the show. The students left the audience spell bound with their performance. Lot of appreciation and positive feedback was received from every corner.

## Pillow Palooza

On 16th & 17th May 2024, grade 5 students enthusiastically participated in Pillow Palooza, an exciting slumber party filled with meticulously planned activities designed to entertain and foster strong connections among the kids.

### Day 1:

Pillow Palooza was a memorable experience filled with creativity, dance, music, and lots of fun. It gave the students an opportunity to build strong bonds and enjoy quality time together before breaking for the vacation.

## Hindi Workshop

A Hindi workshop by Cordova Publications was held for the Hindi teachers on May 4th, 2024. This workshop aimed to provide teachers with additional resources published by the Cordova Publication to support their teaching and make learning more fun for the students. They also shared the online website through which teachers can access and display audio-visual content to students, making learning more engaging.

## Interactive Session

“A connection is that energy which exists between people when they feel heard, seen or valued”.

A such valued connection was built between the teachers teaching classes 5 and 6. It served as a portal to share the best teaching skills and practices to create a connect between the ways of imparting knowledge in the primary and middle school. The benign presence of Ma'am Principal, Dean Academics of Juniors and Seniors weaved the web of relationship between the teachers of both the departments.

“Best teachers are those who ask questions. Best teachers are permanent students.”

- Ma'am Jyotsna Brar

An enriching workshop on the above stated topic was conducted by Ma'am Jyotsna Brar, the founder Principal of RKKGPS on 11 May 2024. The main focus of this session was to engage students in meaningful activities so that they can connect the learning with real life. Teacher should work as a facilitator and should assist students during the process of interconnections between discreet pieces of knowledge, different disciplines and content providing an avenue for deeper learning. It was suggested that teacher should help students to understand integrated designs, so that they can focus on the critical, evaluative and creative thinking aspects of learning. Ma'am reiterated that English language has already been integrated with the rest of the subjects. English teachers have a complex role to play in India and they have to help students overcome complex challenges.

### MIEE (Microsoft Innovative Educator Expert)

An informative workshop for teachers was conducted on 17th May 2024 by Dean IT. It highlighted the benefits of becoming a Microsoft Innovative Educator Expert (MIEE). The enriching workshop provided valuable insights and guidance for teachers as to how to become the MIEEs.
