The Preliminary round divided participants into two pools: Pool A and Pool B. In the evening, the draw of lots determined the speaking order for the participants, while the escort teachers revealed the topics. For Pool A, the topic at hand was: “Privatization of industry in India is merely cosmetic in nature”. Meanwhile, in Pool B, the discussion revolved around : “The freedom of expression enshrined in the legislation is virtually non-existent”. With two hours allotted for research, we diligently prepared for the preliminary round scheduled for the following morning. Our participants performed admirably, securing their spots in the final round. Among the 17 out of 26 contestants who made the cut, both of our RKK debaters earned their places in the finals. The draw of lots for the final round took place that very evening, and the topic for the final round was “The new agricultural reform law in India is an essential step towards agricultural modernization”.

Though, we didn't win the trophy, our debaters left an indelible mark, captivating the audience with their remarkable performances. Engaging in spirited debates amidst picturesque mountain valleys was indeed a feast for the eyes. The majestic peaks served as a backdrop to intellectual exchange, with voices echoing through the valleys. It was a fusion of intellect and nature, reminding us of the power of ideas in the awe-inspiring embrace of the natural world.

L K Singhanian Education Centre, Gotan (Lady Anusuiya Singhanian Memorial All India Hindi & English Debates 2023 and Sir Padampat Singhanian Memorial All India Science Quiz 2023)

“Winning and losing are two sides of the same coin”

A team of 8 girls and 4 escort teachers, Mrs Sandhya Mudgal, Ms Varsha Pandey, Mr Kuldeep Chand Chouhan & Mr Udhav Kumar Dubey left the portals of RKK on 10th September 2023 to participate in **Lady Anusuiya Singhanian Memorial All India Debates 2023**. The Hindi debaters spoke for the motion on the topic -Saman Nagrik Sanhita Aaj Ke Aawashyakta Hai’ on the evening of 11th September, 2023. The Chief Guest of the day was Mr RC Joshi, Principal LK Singhanian Education Centre, Gotan. He applauded all the debaters and suggested that the participants must not compete with each other but with themselves. Later the students got a wonderful opportunity to mingle with other teams during the DJ night. **The participants for the Hindi Debate team were - Jaya Sankhla of Class XII, Divya Vishnoi of Class XII & Sheetal Johari of Class XII.**

September 12 witnessed the oratory skills of the English debating teams. The English debaters: Aadyaa Vivek of Class XII, Nikita Vijayan of class XII and Stuti Arya of class XII spoke against the motion, THBT ‘Demand for the caste census in India will encourage the concept of divisive thinking’. Students gave their best and spoke fluently. The Chief Guest of the day was Mr Vinay Prabhakar Sahasrabudhhe, president Indian Council for Cultural Relations and former Member of Parliament. According to one of the judges, originality makes a debate unique. This can be obtained by adding personal experiences and reading biographies of great people. No one expects students to debate as parliamentarians. They are expected to share their perspectives on dais.

A good debater must be careful of his body language and posture and his/her attitude should be like a king. Most important point is to be able to think critically. Pinch of passion is to be added to one’s debate. Passion is not synonymous to screaming; in fact, one can stay calm and put his point forward. Debates were followed by a cultural evening where participants exhibited their talents. The performances varied from recitation to singing, dancing and magic show. The quizzers Deeksha Garg and Preksha Mehta reached the Final Round of the Quiz. RKK teams could not win any of the events but won in terms of great learning.

Students may not have won the competition but at the end of the day they enriched their minds by gaining a lot of knowledge and wisdom from their co-debaters, co-participants and judges.

PRE-PRIMARY & PRIMARY EVENTS

(Prep Poetry Morning: "Matargashti")

The Prep poetry morning was conducted on the theme "Matargashti" on 2nd September 2023 in the grand refurbished auditorium Badan Rangshala for the very first time. There were scintillating performances starting with choir renditions in both the languages followed by flawless execution of poetry rendition, yet again in both the languages. Children also rocked the stage with their individual poetry recitation exhibiting poise and elan. The class dances were breath taking and full of energy but the Grand finale took the cake away with children dancing on the Chandrayaan theme song spreading the message that we Indians are second to none and nothing is impossible for us, "if we dream about it, we achieve it".

The performance, left the audience speechless and teary eyed to see their little bundles of joy, bring alive those precious moments once again. Every member of the audience was touched by their performance and the hall resonated with the thunderous round of applause. It was followed by the Principal's address to the Parents which was heard with rapt attention and felicitation of our outstanding comperes from grade IV who made an indelible mark in a very short period of time. Vote of thanks was followed by high tea at our lush green lawns with parents. They couldn't resist praising the children and the team effort behind the scenes.
