Mayo College, Ajmer

(29th Padmashri JTM Gibson, OBE Memorial Invitational Debates and Quiz)

"Debate is the fire that tempers the steel of ideas and quiz is not just a test of memory, but a celebration of curiosity, where every question is an invitation to explore the vastness of knowledge"

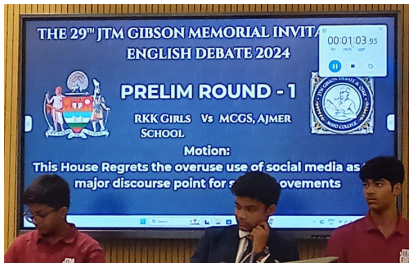

29th Padmashri JTM Gibson, OBE Memorial Invitational Debates and Quiz was organized by **Mayo College, Ajmer from 4th to 6th October 2024**, featuring participants from various schools from across the globe, where each team comprised five participants. The events aimed to foster critical thinking, public speaking and confidence in participants and gave them an opportunity to learn, grow and enhance their skills. The event unfolded in two stages namely the Quiz Competition and the Asian Parliamentary Debate. **The Quiz team comprised Prathna Sancheti and Niharika Champawat whereas the debate team consisted of three members - Eshal Bindra, Suhani Lodha and Adwitiya Saxena. The team was escorted by Ms Neetu Chatterjee.**

The Quiz was an engaging and intellectually stimulating activity that challenged participants' knowledge across a variety of subjects, from general facts to specialized areas like Science, History and Current Affairs. It sharpened the minds, promoted quick thinking and fostered a spirit of curiosity and learning. The Quiz was moderated proficiently by Mr. Ajay Poonia. The Quiz was a grand success with participants and audience alike leaving with fond memories and a renewed enthusiasm for learning. Beyond being a fun and interactive experience, the Quiz encouraged a lifelong pursuit of knowledge, making it both an educational and enjoyable endeavour. The second day began with the Debating Rounds. The debates inculcated an exchange of ideas, where logic, persuasion and critical thinking converged to create a meaningful dialogue. It was not merely a contest of opposing views but an intellectual exercise that refined arguments, fostered open-mindedness, and encouraged respectful discourse. Throughout the debate, individuals learned to articulate their thoughts clearly, challenge assumptions, and consider multiple perspectives, making it a powerful tool for personal growth and societal progress. The debate consisted of 16 teams and three preliminary rounds out of which 8 best schools qualified for the Quarter Finals. A distinguished panel of judges from the 'Awaaz' Group evaluated the debaters on various criteria such as content, delivery, rebuttal strength, and overall impact. The format followed was Asian Parliamentary allowing both sides ample time to present their arguments, followed by rebuttals and counter arguments. The competition witnessed several standout performances. Both the Government and the opposition delivered compelling arguments, impressing both the audience and judges. The topics were absolutely well crafted and some of the motion that were debated upon were, "As a middle class parent, this house would adopt free range parenting" and "This house believes that celebrities should not be allowed political advocacy".

The competitions were a resounding success, providing a platform for young minds to express their thoughts on critical issues. They event not only showcased the intellectual prowess of the participants but also emphasized the importance of dialogue and discussion in shaping informed opinions. It fostered a spirit of healthy competition and intellectual curiosity, leaving both participants and spectators enriched.

Fern Hill School, Canada
(RS Zoom Postcard)

'Small steps lead to big changes and every new experience brings new learning'. -With this mindset, a group of six enthusiastic student from RKK — *Mehal Sharda, Yana Agarwal, Nivisha Kumbhat, Avika Sharma, Vedanshi Bhandari, Yana Agarwal with their Students Leader - Tamanna Bhawnani* participated in a Round Square Zoom Postcard Call. The event, hosted by **Fern Hill School, Canada, took place on 09th October 2024** and focused on the theme "Internationalism and the six Round Square Ideals". For many of the group members, it was their first experience in such a setting, yet their performance were remarkable.

Throughout the session, the team actively engaged with students from different parts of the world, sharing insights on how the Olympic Games connect with the ideals of Internationalism, Leadership, Service and Adventure. RKK's presentation highlighted some of India's Olympic athletes, focusing on their achievements and how they inspire global unity and personal growth. Led by Tamanna Bhawnani, the group confidently delivered a well-structured presentation which received appreciation from peers and mentors alike. In addition to gaining deeper knowledge about the Olympics and their connection to the Round Square Pillars, this postcard call also provided a platform for all five members to overcome their initial apprehensions and engage in meaningful discussions with their global counterparts. The experience left a lasting impact on the students, helping them build communication skills, global understanding and confidence. This session was a powerful reminder that Olympic values, like those of Round Square, transcend national borders and unite people through shared ideals.

World Mental Health Day Celebration

On **October 10**, Rajmata Krishna Kumari Girls' Public School, Jodhpur celebrated **World Mental Health Day** by partnering with two institutions of special needs: Manovikas Navjyoti Kendra and Saarthy Foundation. A group of 70 enthusiastic children from Interact Club of Rajmata Krishna Kumari Girls' Public School under the aegis of Rotary Club Padmini set out for a heartwarming outing to meet and interact with some wonderful mentally adept children. The event aimed to foster inclusivity and raise awareness about mental health through engaging activities. The day began with a departure from school at 9 a.m, setting the stage for a meaningful experience. The first stop was Navjyoti Vikas Kendra, where from 9:30 to 11 a.m, our Interactive Club engaged with the students through a vibrant dance performance that set a joyous tone. This was followed by an uplifting Choir presentation, showcasing the talent of both our students and those at the Kendra. The event culminated in a lively group Garba, where participants from both schools danced together, fostering a sense of community and inclusion. Additionally, our students donated food packets and toys to the Kendra, further enhancing the spirit of giving and supporting. At 11 a.m, the team departed for the Saarthi Foundation. Here, the Interactive Club once again took center stage with a captivating dance performance, followed by another inspiring Choir session. The highlight was another enthusiastic group Garba, allowing everyone to join in and celebrate together. Our students also donated food packets and toys at Saarthy Foundation , reinforcing the message of compassion and care. By 1:30 p.m everyone returned to the campus , filled with new experiences and insights. Throughout the day, students learned invaluable lessons about empathy, collaboration and the importance of mental well-being. Engaging with their peers from special needs schools allowed them to appreciate different perspectives and abilities. The interactions highlighted the significance of inclusion, teaching students to celebrate diversity and support one another. Overall, the celebration not only raised awareness for mental health but also strengthened the bonds between our school and the special needs community, fostering a spirit of togetherness and understanding.

PRE- PRIMARY & PRIMARY EVENTS

Flipbook - Dazzle with Diwali

This Diwali was made even more special by sharing a creative and interactive Flipbook filled with activities on **16th October** that sparked curiosity and gave wings to the imagination of our young learners from Nursery to Class II. Through this unique approach, students found a fun and meaningful way to learn while celebrating the festival. Children were engaged in various activities that encouraged creativity, learning, and precious family time. Younger students delighted in picture walks, rhymes, and alphabet hunts, which helped them, identify objects and letters. Cozy reading corners and storytelling sessions further nurtured their love for books and inspired their imagination. For older students, activities like reading games, word-building, and retelling stories helped strengthen their vocabulary and comprehension skills. In addition, students took on responsibilities at home, helping with Diwali chores like cleaning and decorating, which taught them the value of teamwork and contributing to family duties. The excitement continued with creative tasks such as making DIY Diwali decorations, preparing traditional sweets, and designing family photo albums. These projects allowed students to express themselves and connect with their cultural heritage. The learning didn't stop there—students also practiced budgeting for Diwali expenses and expressed gratitude, adding important life skills to their holiday experience. Safety reminders helped ensure a safe and joyful celebration, while eco-friendly Diwali ideas encouraged students to care for the environment. Nature Walks, Scavenger Hunts and Star Gazing brought children closer to nature, making the holiday even more meaningful. Family bonding was at the heart of it all, as students spent quality time with grandparents and loved ones, creating cherished memories. Students were also encouraged to spread happiness by sharing with those in need, embracing the true spirit of Diwali—kindness and generosity. The school received heartwarming pictures and stories from families, showcasing the joy, creativity, and learning that filled the holiday. These memories will stay with our students, reminding them that Diwali is not only about lights and celebrations, but also about learning, giving, and spending time with loved ones.

Session by Maj Ravinder Rawat
(Saurya Chakra Awardee)

Major Ravinder Singh Rawat, a Saurya Chakra recipient, delivered an inspiring talk titled **"Indian Army - A Way of Life"** motivating students to consider a career in the Indian Army.

On 21st October, the session began for the boarders of Class V to XII, with Maj Ravinder Rawat introducing the prestigious gallantry awards and highlighting the remarkable achievements of past recipients, encouraging students that they too could aspire to earn these honors. He discussed essential qualities for joining the Indian Army, emphasizing the various benefits of this noble profession.

Key Points Discussed:

- Major Rawat then outlined the core values or "ethos" upheld in the Indian Army, such as: Discipline, Spirit-de-corps, Selfless Sacrifice, Secularism, Fairness and Honesty, Integrity and Loyalty, Honor and Courage, Forthrightness. These principles, form the backbone of a soldier's life and guide the army's mission in safeguarding the nation.

- Elaborating on the Army's diverse roles, he explained tasks ranging from war fighting to ensuring internal security, peacekeeping, and providing humanitarian assistance during natural disasters. To make the talk more interactive, he led students through a simulated "operation," teaching them how to command and act in emergency scenarios. Students enthusiastically participated, engaging in spirited discussion and posing questions about the army's challenges.

- Major Rawat shared insights into the unique attributes of the Indian Army as a fulfilling career choice. He spoke about the sense of pride, honor, and lifestyle benefits of army life, such as pay, allowances, and personal growth opportunities. Motivating students, he discussed the promising future for women in the army, highlighting their unique perspectives and their role in elevating standards. He also reminded students that "there is a soldier in each of us," as everyone plays a role in ensuring their own security.

- Major Rawat highlighted key qualities of a service person, including: Effective intelligence, Cooperation, Self-confidence, Liveliness, Courage, Stamina. He also covered the various entry paths into the Indian Army, such as NDA/IMA and 10+2 Technical Entry, guiding students on how they could pursue a career in this field.

"If you want to go fast, go alone. If you want to go far, go together", Major Rawat left a lasting message on teamwork and collaboration. His patience in addressing students' questions and clarifying their doubts made the session informative, engaging, and inspiring. Overall, the session proved to be an enlightening experience, providing students with a deeper understanding of the Indian Army's values and the honor of serving the nation.

Qatr AL Nada school, UAE
(Online Mathemania Forum)

"Every small step you take brings you closer to your big dreams!"

An Online Mathemania Forum was organised by Qatr AL Nada school, UAE on **31 October** for MIEE schools globally. Three students - *Rhythm Saini, Yahvi Sharma and Shrishti Joshi* participated zealously. They were dedicatedly guided by MIEE Mrs Suman Rathore. Students presented their videos on topics such as **'Real life application of Mathematics' and 'AI in Mathematics'.** Participating in the online Mathemania forum was an intellectually stimulating and enriching experience. Participants from diverse backgrounds showcased their skills by solving complex real-world problems using mathematical models and algorithms.

The competition not only provided a platform to test mathematical prowess but also fostered a global collaborative environment where participants could learn from each other. It was a valuable opportunity to apply theoretical knowledge to real-world challenges, driving home the importance of mathematics in today's technologically advanced world.
