

A peep into the activities of the month

The Emerald Heights International School, Indore (Round Square Conference)

*When we see the world as one family, our actions become more compassionate.
"Vasudhaiva Kutumbakam teaches us that no one is a stranger, but a potential friend."
"Love and acceptance break down walls and build bridges between cultures."*

The Emerald Heights International School, Indore hosted the Round Square Conference, from **3rd to 7th January 2024** which was a remarkable event bringing together students, educators, and leaders globally. Aligned with the Round Square IDEALS of Environmental Stewardship coupled with the theme of '**Vasudhaiva Kutumbakam**', the conference promised dynamic collaboration, cross cultural exchange and a shared commitment to global citizenship. There were total 19 schools who participated in this conference such as Yaduendra Public School, The Punjab Public School, Dhirubhai Ambani International School, Daly College, Sunbeam School Lahartara, Pathways World School, Vivek High School to name a few. RKK's delegation comprising six students - *Adhya Dudi, Bhavika Jalani, Aaditri Bhatacherjee, Naisha Salecha, Tamanna Bhawnani, Arika Sancheti* and escort teacher, *Perminder Meena Ma'am* had a golden opportunity to attend this Round Square Conference. The conference held under the theme '**Vasudhaiva Kutumbakam**', aimed to explore the concept of the world as one family. The conference commenced with a captivating Opening Ceremony, setting the tone for the entire event. It featured spectacular Flag March ceremony followed by enlightening Keynote address by distinguished speaker, Mr. Bhalu Mondhe. He delivered an insightful speech on nature and sustainability. The next key note address was by an avid bird enthusiast, Mr. Dev Kumar Vasudevan. His inspiring speech emphasized the importance of environmental conservation and highlighted the unique role that birds play in maintaining ecological balance. Delegates were organized into Barazza Groups, each named after a National Park in Madhya Pradesh like Kanha, Gir, Jim Corbett, Kaziranga etc. This innovative approach fostered a sense of camaraderie and teamwork among participants. The groups engaged in various activities and discussions centred around the theme of environmental conservation. This gave an understanding of sustainability for a better tomorrow.

The Emerald Heights International School, Indore (Round Square Conference)

Highlight of the conference was a visit to SIRPUR LAKE – A WETLAND PARADISE, where delegates had the opportunity to explore the natural beauty of the region. In line with the theme, delegates engaged in Community Service that aimed to make positive impact on the local community. In this category, delegates visited Kripalaya - old age home, an education centre Gyanodya - for underprivileged children, deaf and bilingual academy, an educational centre Sanjeevani –for underprivileged deaf and mute children, Mahesh Drishtiheen – a school dedicated to blind and partially blind girls. In Community Service, the delegates accomplished many activities like – Bed sheet Painting, Bottle Painting, Wall Painting, Block Painting, Poster Making and Ladoo Making. The next learning experience came from the Mandu Exploration EXPLORATION. All the delegates explored the historical town of Mandu. This excursion provided a glimpse into India's rich heritage and allowed participants to appreciate the architectural marvels, history and cultural diversity of Mandu, that has a fascinating past, dating back to the 6th century. Nestled amidst the Vindhya Range, the city is home to a plethora of architectural wonders, reflecting the grandeur of its medieval rulers.

The delegates visited many historical sites at Mandu like, Rani Rupmati's Pavilion, Baz Bahadur Palace, Jahaz Mahal, Jami Masjid and Hoshang Shah's Tomb. The Conference concluded with a vibrant Closing Ceremony, featuring cultural performances from all the participating schools. Delegates showcased their talents through dance, music and drama, celebrating "Vasudev Kutumbhkam," that defined the Round Square conference. It was a resounding success, fostering global connections and promoting a deeper understanding of the world. The diverse range of activities, insightful speakers and cultural exchanges made it a memorable and enriching experience for all participants.

Our biggest takeaways from this conference are:

- Exposure to diverse cultures and perspectives, fostered a broader understanding of the global community.
- Engagement in group activities and discussions, promoted teamwork and leadership skills.
- Insights from Keynote Speakers on the importance of environmental conservation, particularly in relation to bird life added to our learning.
- Participation in Barazza Groups based on national parks, fostered a sense of community and teamwork.
- Trips to Sirpur Lake and Mandu, offered practical knowledge about ecosystems, wetlands, and historical landmarks.
- Exploration of historical sites like Mandu, provided a first-hand experience of India's rich cultural heritage.
- Interaction with mentors and fellow delegates, established connections for potential future collaborations.
- Practical application of knowledge gained during workshops, discussions, and visits to real-world scenarios.
- Recognition and celebration of diversity as a strength, promoted inclusion and understanding.
- Exposure to new experiences, challenges, and environments contributed to personal growth and cultural performances during the Closing Ceremony provided inspiration and appreciation for diverse artistic expressions.

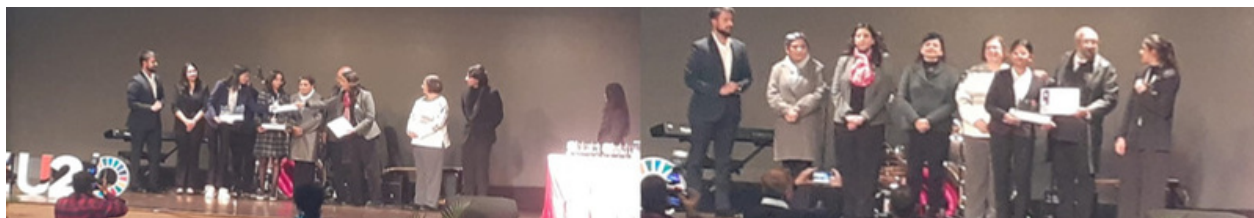

Pathways World School, Aravali, Gurgaon
(MU20 Asia's Biggest High School Leadership Conference)

A team of 14 students with their Teacher Trainer, Ma'am Jyoti Ratan Singh, set out to attend the first-ever MU20, Residential Programme hosted by the **Pathways World School, Gurgaon and organized by the MU20 School of Opportunity** from 7th - 9th January 2024. Nestled along the majestic foothills of the Aravalis, Pathways World School greeted the participants with a chilly breeze, yet warm and welcoming faces. The charismatic beauty and greenery mesmerized them and became a paradise for all. The competition comprised four challenges- The Model UN, The Impact Challenge, The Theatrics Challenge and the Entrepreneurship Challenge, out of which RKK's delegation participated in the former three. Each challenge was a new and distinctive experience, that allowed each delegate to develop individual opinions, preached the idea of self-reliance and taught them the essence of collaboration.

Day - 1 witnessed the Power Drill, the Inaugural Ceremony, an Open Mic and a Bonfire Dinner, which was a true delight not only because it was cold, but also because everyone interacted and made memories to cherish for life. The Power Drill was an amalgamation of sports, creativity, and quiz rounds to engage the delegates in a fiesta of adventure, teamwork, and thrill. All the delegates were determined to make their teams win, even when it meant working with an entire group of people they had never met before. The Power Drill was also sponsored by Emotorad, an electric bicycle-making Start Up.

Day - 2 commenced with the Semi-Finals of the Power Drill and unfolded the first two Committee Sessions for the respective challenges. Each Committee session witnessed fiery arguments, mindful portrayals, and diplomatic negotiations. In the evening, the finals of the Power Drill took place, wherein the finalists had to build an electric cycle from scratch. Totally stranger to the idea of building cycles, this posed a challenge to the finalists and forced them to push their limits. The other participants were engaged in Kite Flying as a tense ambiance surrounded the finalists. This was followed by a cultural evening and DJ which livened the aura and filled it with ecstasy and joy. The final day started with a Theatrics session conducted by a trainer from Anupam Kher's Acting School. This session taught them to accept challenges and break barriers within themselves. The remaining two committee sessions followed this, as an array of deliberations and performances broke out. The evening concluded with the Closing Ceremony, which included the much-awaited prize-giving.

On the whole, this experience enabled all fourteen students to discover and unfold the potential within them, along with the additional benefit of getting to behold the sight of the ever-awing Aravali Hills. The proud participants were *Rakshita Pitti, Himshika Purohit, Aehaid Kaur Bajwa, Yagnya Tak, Tanusha Singh, Bhavya Bhati and Diva Tater*, the delegates of the **Model UN Challenge**. *Charuvi Jaiin, Kashvi Jain, Mehak Bafna, and Pulak Jain* from **Theatrics Challenge**, *Ananya Saran, Saanvi Agarwal and Aarohi Bhattacharjee* represented the Impact Challenge. **Bhavya Bhati received a Special Mention in The Model UN Challenge** as the Delegate of India in the Committee - United Nations Development Programme. **Aarohi Bhattacharjee received a High Commendation in the Impact Challenge as the stakeholder of Opposition 'A' & Ananya Saran received a High Commendation in the Impact Challenge as a stakeholder of Government 'B'.**

Rockwoods School, Udaipur
(AFS India Regional Meet - West Zone Member Schools)

"Every day bears its gifts. Untie the ribbon."

These profound words by Ann Ruth Schabacker held true during **AFS West Zone Meet 2024 at Rockwoods School, Udaipur from 12th to 14th January 2024**, themed '**Citizens of the Globe**'. This gathering unfolded like a cherished present, revealing its treasures with each passing day.

RKK's delegation, comprising two students, *Charvi Abba & Chinmayi Abba of Class IX*, accompanied by their teacher escort, *Mrs. Radhika Singh*, embarked on this enriching journey. Day-I ushered them into a world of vibrancy with a versatile Inauguration Ceremony. The air was filled with speeches by Keynote Speakers - Lt. Col. Mohnish Ahuja, Mr. Nicholas Gherardi, Ms. Urmi Chanda, Mr. Siddharth Singh and a diverse array of dances that captured the very essence of Rajasthan. Day-II was a whirlwind of action, commencing with the reading of the day's agenda and an insightful overview of AFS by Ms. Seema Shaikh. Speeches from Mr. Sachin Desai and an important Keynote by Mr. Narayan Iyer on the 'Attitude of Gratitude' set the tone.

Post this, engaging breakout sessions led by Ms. Urmi Chanda and Mr. Dawood Vaid unfolded, exploring seeds of peace and SDGs. The sessions were not only gripping but also packed with valuable insights. A thought-provoking panel discussion, led by Ms. Mumtaz Syed, stirred diverse sentiments on global competencies. Ms. Sarita Badhwar took the reins during an ICL training session, shedding light on the need to think locally and act globally. The highlight awaited the participants for the exhibition on SDGs, where RKKGPS showcased Gender Equality and Empowerment through Project Shakti & Project Prayaas. The exhibit garnered widespread appreciation, especially from the judges. The wide array of Soft Toys and the display of Sanitary Napkins showcased RKK's relentless efforts in providing better facilities for girls and women.

The day concluded with a harmonious blend of music, dance and vibrant Lohri celebrations. Day-III unfolded a different chapter, centered around sightseeing. It commenced with a hike to Bahubali Hills, visits to City Palace and Jag Mandir Palace, a serene boat ride, a feast at Garden Hotel Restaurant and culminated with a mesmerizing Light and Sound Show at Moti Magri. In a nutshell, this experience will forever be etched in the memories of the participants. Beyond building lasting friendships, they learned to be responsible and capable citizens of the world.

Robotics Exhibition by IT Department "Robotronika"

Robotronika: A Triumph of Innovation at RKK

Date: 13th January 2024

Time: 9:30 am to 11:30 am

Venue: RKKGPS, Jodhpur

Conducted by: IT Department

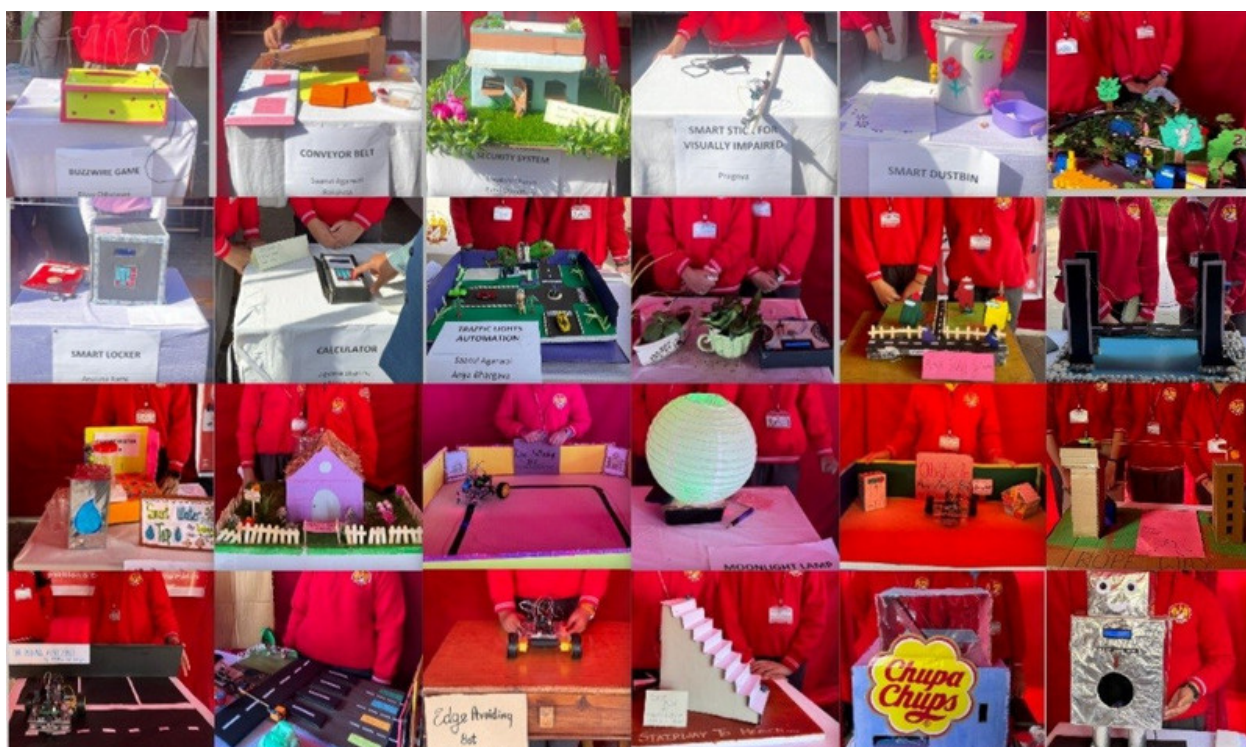

Dean, I.T.: Mr. Jasvinder Pal Singh

Robotics Teacher: Ms. Nupur Goyal

The inaugural Robotics exhibition, "**Robotronika**" held at RKKGPS on Saturday, 13th January 2024 was a resounding success that marked a significant milestone in showcasing the creativity and technological prowess of the students. Conducted by the IT Department under the guidance of Mr. Jasvinder Pal Singh, Dean of IT and Ms Nupur Goyal, Robotics faculty, the event captivated the audience with more than 30 projects.

The exhibition focused on addressing real-life problems through innovative solutions proposed by the young minds of Class VI and VII. Each project was a testament to the students' dedication and their application of the STEM system of learning.

Robotronika succeeded not just in presenting technological marvels but in fostering a spirit of curiosity and problem-solving among the students. The event received widespread appreciation, creating a positive impact within the school community. The event not only showcased the potential of AI and Robotics but also highlighted the commitment of RKKGPS to nurture innovation and excellence in its students.

Teacher's Training Workshop

(IAYP Award Leader National Training Workshop at Vadodara)

IAYP Award Leader National Training Workshop was organized at **The Fern- An Ecotel Hotel, Akota – Vadodara** on **15th & 16th January 2024**. *Ms Veena Khichi and Ms Rajkumari* represented RKK and participated actively to get more enriched about IAYP, its training, its courses and its annual planning. The workshop covered various topics, including SMART goals, adventurous journey, time goals, leadership qualities, relationship building, teamwork, environmental and physical awareness, decision-making and the Gold Residential Project. The event concluded with an ice-breaking session. Both participants found the workshop to be very valuable and enlightening.

Teacher's Training Workshop

(Hosting an Inter-School Model United Nations (MUN): Tips for Success)

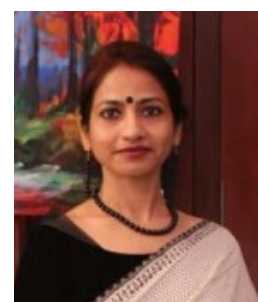

Date: 28th January 2024 < 06:00 P.M – 08:15 P.M IST >

Organizer: The Pedagogy Community

Venue: Webinar via Zoho meetings

Resource Person: Mr. Sathish Kumar

Attendee: Ms Jyoti Ratan Singh

THE WORKSHOP :

The primary objective of the workshop was to provide participants with the knowledge and skills necessary to organize a successful inter-school Model United Nations (MUN) conference. The workshop aimed to equip attendees with insights into the planning, logistics, committee management, and overall execution of a dynamic and engaging MUN event. The interactive session was organized by keeping in sight the NEP 2020 and the CBSE's direction of implementing Model United Nations and similar simulations into the school's curriculum within the students and inculcating within the students in the MUNning Community a sense of making dialogue, researching complex scenarios faced by the world at large.

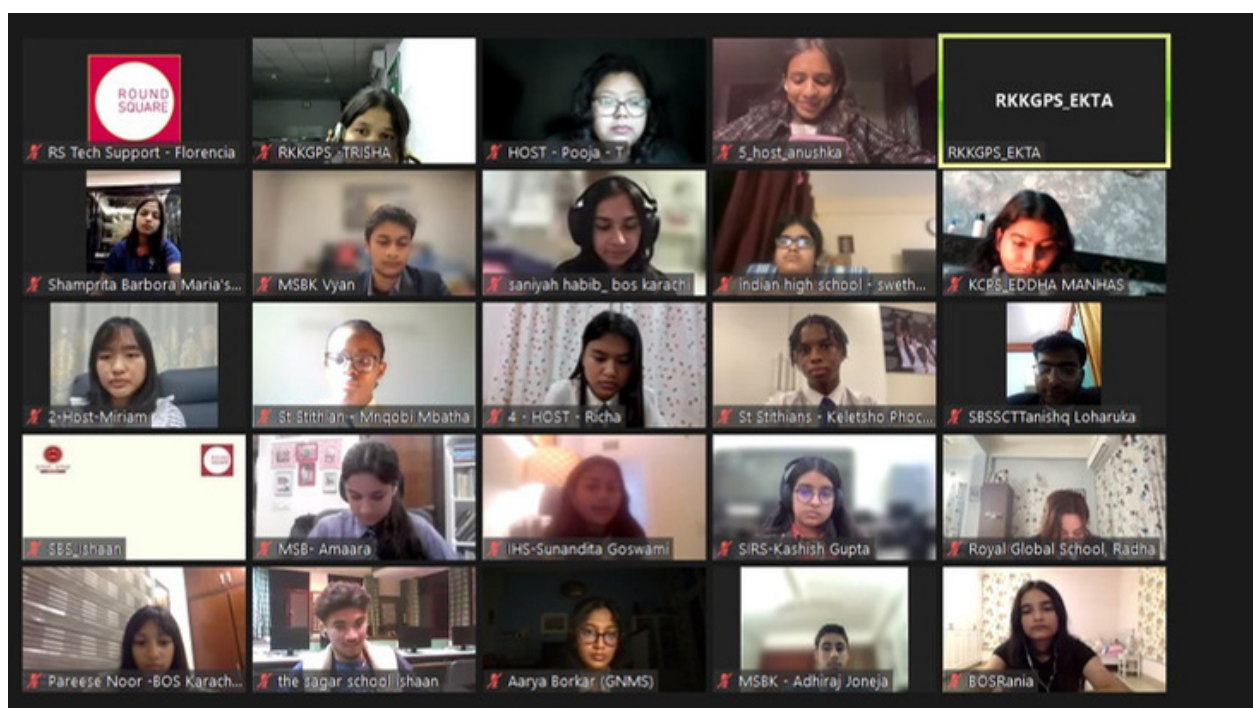

The Assam Valley School, Assam (RS Zoom Postcard)

Going from PayPal, I thought: 'Well, what are some of the other problems that are likely to most affect the future of humanity?' Not from the perspective, 'What's the best way to make money?' ~Elon Musk

The RS Zoom Postcard was held on **17th January 2024** from 6.30 to 7.30 pm. A team comprising six students (all boarders) namely - *Jayani Singh Tomar, Ranchan Kanwar, Surbhi Udawat, Hansika Rathore, Pari Heda, Ekta Nahata* with the student leader - *Trisha Talesara* participated in the conference on the theme **“The Future of Humanity”**.

The host school, Assam Valley gave a very deep and enriching introduction about the future of humanity. They also talked about the leadership qualities. Students were then divided into barraza sessions that started with a very interesting game in which, the students displayed the objects which hosts had asked for. It was a great and joyful session.

After the game, the students discussed about new political issues and traits of a good leader. The session was very interactive and enriching.

Mayo College, Ajmer
(1st Edition of the Mayo Model G-20 Summit)

On the 19th of January, a delegation comprising - *Bhavya Bhati, Bhavi Mehta, Unnati Shekhawat, Dhruvi Mehta and Priyal Jain* and their Teacher Escort & Trainer – *Ms Jyoti Ratan Singh* reached **Mayo College Ajmer for the first-ever Model G20 Summit to be held on 20th & 21st of January 2024**. G20 is where countries assemble to raise issues affecting the world. At Mayo's G20 Summit, there were five working groups and each group comprised one student of RKK. Unnati Shekhwat was appointed as the Sherpa.

It was an honour to have the Sherpa of India, Mr. Amitabh Kant as the Keynote Speaker. He gave insights into how hard and meticulous is the task of getting each country together in agreement. Even though G20 was founded in 1999, the credit goes to India for bringing it to the headlines and making it a renowned event and one of the most successful events since the Independence. During the Q & A session, Mr. Kant complimented the question put by an RKKian that, "How digitalisation brought India to the forefront of the world and exposed it to a new Cyber Attacks Threat?". The Model G20 was not a competitive but a collaborative event, which made the learning experience even better. The Director of Mayo College, Ajmer, General Kulkarni rightly said, "It's not about questioning and queries but bringing solutions for everyone to bring everyone together for a better future".

After diligent effort in 5 working groups with 20 members each and the Sherpas of the countries for day-long sessions, meetings, negotiation and collaboration, the Model G20 proudly formulated the Joint Declaration with complete consensus, from all countries. It gave a global framework for counter-terrorism, climate, migration, global inclusion and finance. The delegates got a well-deserved end of the Summit with a mesmerizing Polo Match and a memorable Gala Dinner.

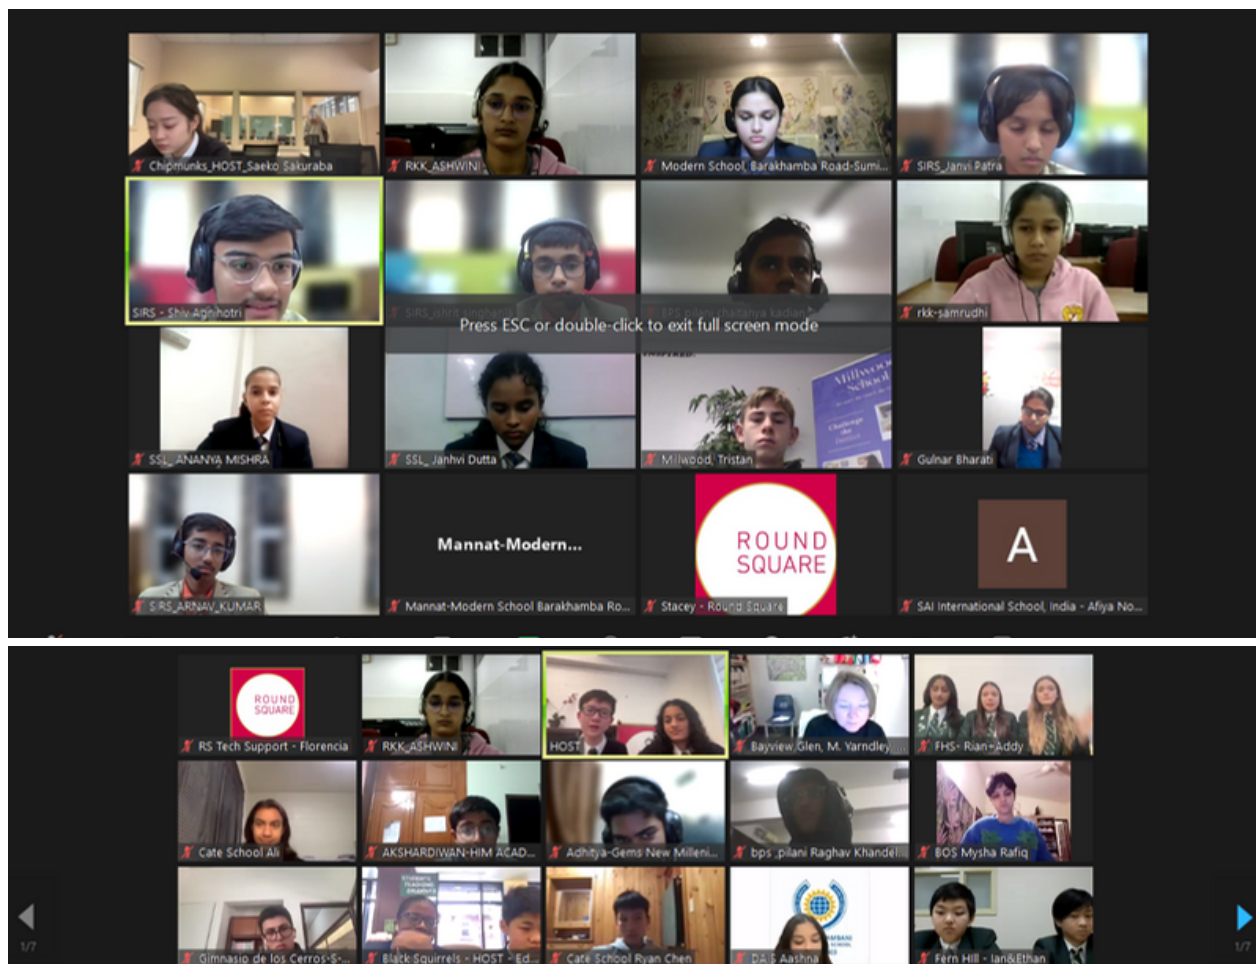

Ashbury College, Canada (RS Zoom Postcard)

A team of six boarders - *Gunraj Singh Chouhan, Priyamwada Singh Rathore, Ashwani Dewal, Bhumiḳa Jalora, Madalsa Rathore, Mahima Singh* with student leader - *Samrudhi Surana* participated in **RS Zoom Postcard** organized by **Ashbury College, Canada** on **24th January 2024** on the theme *“What are your IDEALS?”*.

The participants talked about their IDEALS on personal front and then on Six Pillars & IDEALS of Round Square in detail & how they are promoted in their respective school.

Firstly, they discussed about International trips, Educational Excursions, exposure and experiences, which help students to build up their horizon, confidence and learn about various cultures around the world. Next, they moved on to the second pillar, which was Democracy and discussed about its significance in their daily lives. Moving on to the third pillar – Environment, participants talked about ‘Go Green, Live Green, Plant Green’. About Adventure, the fourth pillar being everyone’s favorite, RKKians shared about the Day Camp organized by the school every year that offers a positive and safe environment away from their home and help them gain confidence and self –esteem to prepare them for future challenges. On the Leadership pillar, they had the most interesting conversation on the Leadership Conclave held in RKK and the importance of leadership and teamwork. Regarding Service, students spoke about Project Prayaas and distribution of free Sanitary Napkins to marginalized young girls while educating them about personal hygiene.

Celebration of 75th Republic Day

True Spirit and Essence of Patriotism in Action

On the auspicious occasion of **75th Republic Day** on **26th January 2024**, RKK meticulously organized a scintillating ceremony from 8:00 am to 11:00 am in the Green Lawns of the school. The event was organised by the staff and students with major participation by the boarders of RKK in the presence of honourable Principal Ma'am, Mrs. Neera Singh, Deans, In House Staff and Students.

Following events took place in the event:

Flag Hoisting followed by the National Anthem, Speech , Poem recitation, Choir performances, Dances by students, a Quiz for teachers and finally fun games were organized for the entire Support Staff. All boarders and staff members gathered in the green lawns to cheer for the Support Staff, turning the event into a fun and frolic celebration. **Vande Matram** was in the air.

SAI International School, Bhubaneswar (Online SAI Global Debate 2024)

It is a delight to share the resounding success of the eight talented students from RKK who participated in **Online SAI Global Debate 2024** organized by **SAI International School, Bhubaneswar** on **27th January 2024**. Divided into two groups (Junior and Senior) and competing in three categories (General Debate, Turncoat, and Extempore), students exhibited exemplary skills and sportsmanship throughout the competition.

Following an exhaustive 15-day practice, the participants, namely *Hunar Rana, Subhadra Kumari, Nishika Kumbhat, Saanvi Jain, Satakshi Sati, Aarohi Bhattacharjee, Adwitiya Saxena & Tulika Harshvardhan* with their Teacher In-charge *Mrs Janet Rana* demonstrated unwavering enthusiasm and confidence as they commenced the debate at 10 :00 am.

After a tough competition, five students successfully qualified for the final round. Post-lunch, the finalists showcased their exceptional talent, with Hunar Rana from VIII D receiving high appreciation from the Principal of SAI International School for her outstanding speaking skills. Notably, Satakshi Sati of IXA secured the 3rd prize in the Argumentative Debate (FOR) category.

This experience not only provided a platform for the students to excel in debating but also offered them a valuable learning exposure. Heartfelt congratulations to all participants and high appreciation for their dedication and exemplary representation of RKK.

INTACH

(All-India Poster Competition MY MONUMENT SEARCH)

All-India Poster Competition -**My Monument Search** was hosted by INTACH at Soorsagar Mahal, near Bada Ramdevra and Police Station Soorsagar, Soorsagar Road, Jodhpur. This exquisite Art Competition was held on **30th January 2024** represented by 10 students - *Chitra Khichi, Yahvi Sharma, Pankhuri Sharma, Aleena Sheikh, Tanishka Modi, Garvita Tater, Kamakshi Soni, Ashmin Sidhu, Nitya Chopra and Jyotsana Thawani* of Classes VI to IX with their Teacher Incharge, Mr Manoj Kumar Sandha. All participants displayed their insights of native monuments of Jodhpur with high enthusiasm and love for culture and heritage.

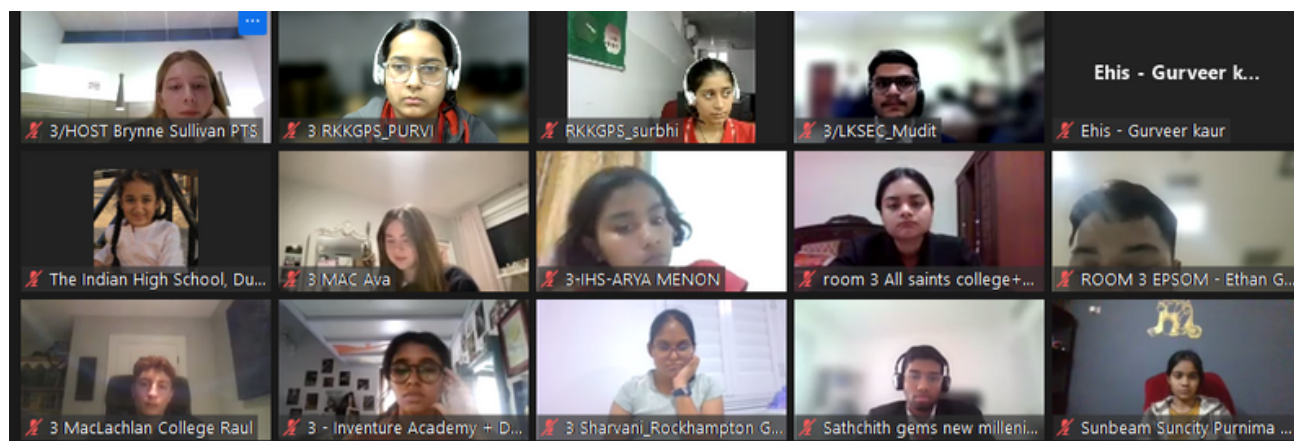

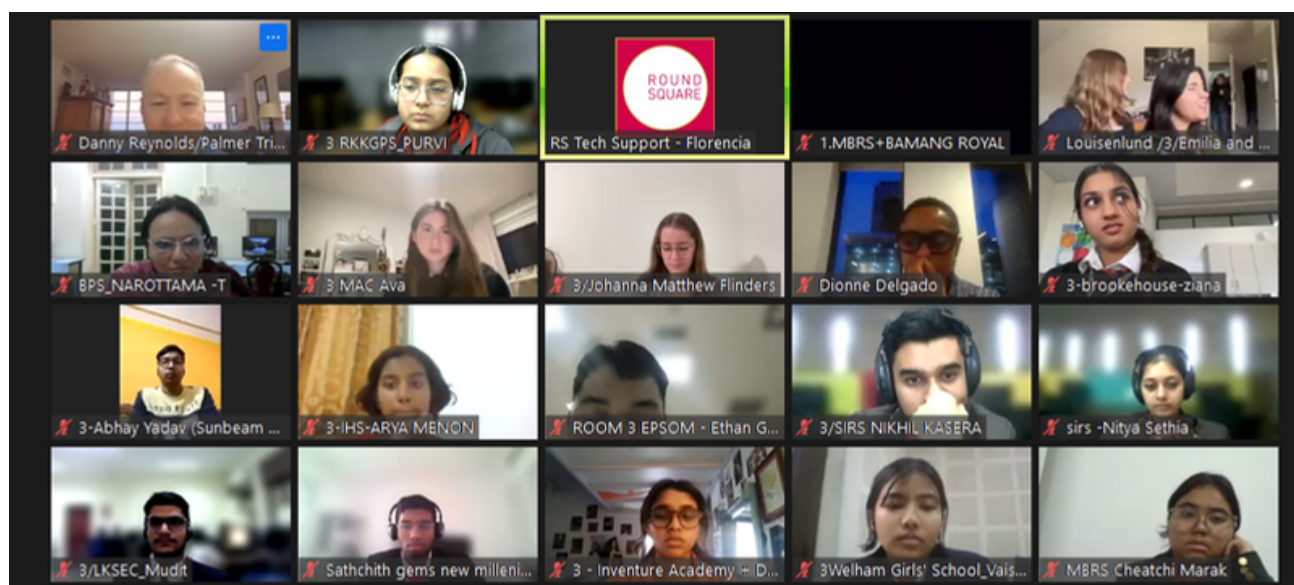

There were 7 more participating schools including Sardar Doon Public School, Central Academy, DPS Pal Road, Konark School etc. The audience was addressed by the Chief Guest and Keynote Speaker, Mr S M Mathur. Overall, it was an enriching experience for all the students and an opportunity to explore, rise and shine.

Palmer Trinity School, USA (RS Zoom Postcard)

*“Mental health is not a destination , but a process .
It’s about how you drive , not where you’re going”*

On **31st January 2024**, a team comprising 6 boarders – *Angel Semrani, Mahimaba Sarwaiya, Vidushi Digga, Trisha Talesara, Purvi Jain, Jayani Singh Tomar* with their Student Leader *Surbhi Udawat* participated in the RS Postcard hosted by Palmer Trinity School on the theme, “Mental Health in Teens: Why Should Schools Promote Mental Wellbeing?”. A brief on the theme was given as soon as the call commenced. It started on a fruitful note with a presentation displayed by the host school. Next, students were divided into different breakout rooms. Questions were asked from each participant such as, How does your school support mental well being? Why was mental health important during the COVID 19 pandemic ? RKKians actively participated in discussions and were able to relate to the theme as RKK has conducted and participated from time to time in many mental health programmes to raise awareness about its importance among the students. School has always encouraged physical activities such as Yoga, Zumba, Self Defence, Meditation etc and has fostered a positive environment for open communication among all. It was a very encouraging and innovative conference to work towards a better tomorrow and how small initiatives can make huge differences.

STUDENTS' WORKSHOP (Traffic Rules and Road Safety)

RKK organized a workshop on Traffic Rules and Road Safety on **31st January 2024** which was led by Traffic Inspector, Mr. Ramesh Khiriya. The Workshop was an initiative as per the government protocols to celebrate the Road Safety Month. It aimed to enhance awareness and understanding of crucial traffic regulations, fostering a safer road environment for all the school students. The session was attended by students of classes VIII, IX and XI. Inspector Ramesh generated awareness in students about Speed Limits and Safety Measures, Traffic Signal, Importance of Lane Discipline, Drinking and Driving, Underage Driving, Penalties for Traffic Violations, Vehicle Insurance, Good Samaritan Law and answered their queries in an Interactive Q & A round.

The Workshop began with an in-depth discussion on speed limits on various road types and the correlation between speed and the severity of accidents. The session also covered safety measures like wearing seatbelts and helmets. Participants were educated about the significance of traffic signals and their role in managing intersections. Practical scenarios were presented to illustrate appropriate responses to different signals. The facilitator also emphasized the importance of adhering to designated lanes and avoiding overtaking from the wrong side. He discussed how proper lane discipline contributes to smoother traffic flow and reduces accidents. A critical segment focused on the dangers of driving under the influence of alcohol or drugs. Legal consequences and alternatives such as designated drivers or public transportation were discussed. The workshop addressed the issue of underage driving, emphasizing the legal consequences and potential dangers associated with it. Educational materials and real-life examples were presented to underscore the negative impact of allowing minors to operate vehicles. Inspector Ramesh provided a comprehensive overview of the penalties associated with various traffic violations, including fines, license suspension, and legal consequences. Special attention was given to the consequences of underage driving, outlining strict penalties for both the underage driver and the responsible guardian.

The importance of vehicle insurance was discussed in the session as well. He also mentioned how due to the reel culture and also to avoid any police related formalities, people refrain from helping a person in need after an accident. Therefore, the good Samaritan law can help the citizens feel more safe and willing to help the injured. Participants were encouraged to ask questions and share their experiences, creating an interactive platform for clarifying doubts and reinforcing key concepts. The workshop concluded with a reminder of the shared responsibility for Road Safety and a pledge that every student took to be an active and aware citizen by prioritizing safety before fun. Inspector Mr. Ramesh expressed gratitude for the active participation by the students and the staff and urged attendees to apply the knowledge gained, contributing to a safer community.

SGFI Shooting

SGFI Shooting

Date - 26th December 2023 to 1st January 2024

Venue - Bhopal

Coach – Ms Veena Khichi

SPORTS EVENTS

Ms. Elizabeth Vincent, a seasoned culinary expert, recently conducted an engaging workshop for teachers that left participants tantalized with the aromatic wonders of her kitchen. The event featured innovative recipes and delectable fireless cooking recipes. Participants were not just passive observers; they actively participated in the hands-on experience, getting a chance to recreate the delightful dishes under Ms. Vincent's expert guidance. Throughout the workshop, Ms. Vincent generously shared her culinary wisdom, from ingredient substitutions to time-saving techniques offering valuable tips and tricks that went beyond the specific recipes.

Makar Sankranti and Lohari Celebrations

On the 15th of January, students celebrated the harvest festival with great fervour. The focus of the festivities was on Makar Sankranti, and the students were engrossed in an enlightening session on its astronomical and scientific significance. Various engaging activities such as speeches, group discussions, short story telling sessions, engaging poem recitations, watching informative video etc were organized for different classes to enrich the celebration. Students delved into the art of creating cards, wall hangings, kite shaped book marks, Pongal pots making, kite making, infusing their creations with meaningful messages. The atmosphere was vibrant with the rhythmic beats of Gidda dance, showcasing the cultural diversity embedded in the Lohari festival. A special mention was made of the Aditya Mission, providing an opportunity for students to delve into the broader understanding of celestial bodies and their influence on cultural celebrations. In essence, the Harvest Festival celebration not only enriched the students' cultural awareness but also fostered creativity, collaboration, and a deeper understanding of the scientific underpinnings of Makar Sankranti. The day concluded with a sense of shared joy and learning, leaving a lasting impression on the students.

Donation Drive - Help Age India

PRE- PRIMARY & PRIMARY EVENTS

On the **23rd January 2024**, concerned person from Help Age India addressed the Primary Section of the school, encouraging them to show their support towards the less fortunate senior citizens of the society. She explained to the students in a warm and friendly manner, that their non-profit organization's main aim was focused on the concerns of elders, and that they support geriatric initiatives. Using clear examples, she threw light on this wonderful endeavor which calls for collective action from students, parents and schools to serve disadvantaged elders in a holistic manner, enabling them to live active, dignified and healthier lives. The children were truly inspired and motivated to be part of this enterprise. They solemnly promised to donate and help to the best of their abilities.

Republic Day Special Assembly- I to V

Pre Primary- 75th Republic Day was joyously celebrated by the Pre-Primary section of RKK. The day featured special assemblies and creative activities, immersing the youngest learners in the essence of the occasion. The charged atmosphere at the end left a lasting impact on the young minds, inspiring a sense of responsibility among the young students. Primary- Republic day celebration at RKK gave a reason to the students to express their love and affection for the nation. They presented it beautifully by dancing on soul soothing patriotic songs and sang melodiously in the choir. It was a splendid start given to the morning and was enjoyed thoroughly by everyone.

Robotics Display

PRE- PRIMARY & PRIMARY EVENTS

Few working models of Robotics were displayed and presented by students of Classes I and II on 27th January 2024. Exhibition featured a diverse range of projects, from simple DIY creations to advanced electric circuits. Students showcased their inventive projects made under the guidance of the teacher, such as an Air Cooler, two way Staircase, Classroom Model, Door Bell, Night Lamp, Robot, Sports Car and Paper Circuits (sleepy moon and light bulb). Display demonstrated the versatility of Robotics in solving real-world problems and fostering creativity. The event was appreciated and encouraged by parents and visitors.

Field Trip- Military Station

A Field Trip was organized for Class-Prep on 29.1.2024 & Class-1 on 30.1.2024. The Students of Classes Prep & 1 had a diverse educational field trip, visiting places of worship at Saru Dharma Prarthna Sthal, a War Memorial, and Jal Vatika. They learned about religious tolerance, paid respects to war heroes, and enjoyed watching various migratory birds, Siberian cranes, eagles, pelicans and black ducks which visit Jodhpur, this time of the year. The experience was a blend of culture, history, and natural beauty. Children thoroughly enjoyed the day out and learnt an important lesson about secularism.

Numbers have played a fundamental role in terms of empowering human understanding and if the creativity and agility also gets involved in the realm of numbers then it becomes a joyful learning. The lush green lawns of RKK on the winter mornings of the month of January offered a new exposure to the students of grade III to V in the form of Calculus Clan Competition. With the help of numbers and data the questions were specifically designed not to just test their conceptual knowledge but also their analytical skills. It was an Intra Class competition where each section of the class III to V was divided into equal sized groups. The students were made to encounter few sets of questions in the form of different rounds. The mosaic pattern of shapes, the numerical swirl of fractions, billing the shopping articles, building numbers and solving the puzzles applying the four mathematical operations made the tasks challenging but were thoroughly enjoyed by the students. Students of a team received a green card on solving the challenge posed accurately. The winning teams were judged by their maximum number of green cards gained within the stipulated time. The competition not only motivated the students to put forth their best efforts in a collaborative manner but also included a fun factor.

Awards & Accolades

Brainfeed School Excellence Awards 2023-24
In recognition of relentless pursuit of excellence
in academic, teaching- learning system and
holistic student development.

Congratulations RKK Family ...

The Saga Continues...
